

The background of the image is a misty, atmospheric landscape. A path or road, possibly made of gravel or dirt, leads from the bottom center towards the horizon, flanked by grassy areas. The mist is thick and white, obscuring the details of the landscape in the distance. The overall tone is soft and contemplative.

I'm thankful for my
struggle
because without it I wouldn't
have stumbled across my
strength.

This Side Of My Struggle:

My Struggle Adolf Hitler, 2020-03-20 My Struggle is an autobiographical manifesto by Nazi leader Adolf Hitler in which he outlines his political ideology and future plans for Germany. Volume 1 of Mein Kampf was published in 1925 and Volume 2 in 1926. It is still a bestseller in India. *My Struggle for Peace, Volume 1 (1953-1954)* Moshe Sharett, 2019-03-19 The first volume of the former Israeli prime minister's journals from the nation's early years. My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states. Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day, the diary also tells the dramatic human story of a political career cut short by the removal of an unusually sensitive, dedicated and talented public servant. My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of more activist, militant trends in Israeli society culminating in the Suez Sinai war of 1956. The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship, moderation, diplomacy and concern for Israel's place in international affairs. This is the first volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary. Ma'ariv 1978 maintains the integrity, flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time. The volumes are also available to purchase as a set or individually. The editors vastly improved on the Hebrew version by adding Sharett's speeches, reports, cabinet minutes and other sources to the text. These additions make this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade. Israel Studies Review *My Struggle: Book 6* Karl Ove Knausgaard, 2018-09-17 The final sixth installment in the long-awaited internationally celebrated My Struggle series from Karl Ove Knausgaard. The full scope and achievement of Karl Ove Knausgaard's monumental work is evident in this final installment of his My Struggle series. Grappling directly with the consequences of Knausgaard's transgressive blurring of public and private, Book 6 is a troubling and engrossing look into the mind of one of the most exciting artists of our time. Knausgaard includes a long essay on Hitler and Mein Kampf, particularly relevant if not prescient in our current global climate of ascending dictatorships. **Rozenblat's Confession about the Russian-American Life** Anatoly Rozenblat, 2020-07-13 Rozenblat's Confession about the Russian American Life.
