This Tremendous Lover Eugene Boylan,1962 *This Tremendous Lover* M. Eugene Boylan,1996-06 For forty years Catholic Christians have been turning and returning to this spiritual classic in which a Trappist monk speaks clearly and perceptively to the world of priest religious or layperson still in the world It has been called a modern Introduction to the Devout Life A book that takes the question of personal sanctity and relates it to a Pauline vision of the Church as the Mystical Body of Christ This Tremendous Lover. (The Doctrine of the Mystical Body ... Used as a Basis of the Spiritual Life.). M. Eugene Boylan,1946 **This Tremendous Lover** M. [from old catalog Boylan, **This Tremendous Lover** Eugene Boylan (O.C.R.),1946 *This Tremendous Lover* Dom Eugene Boylan,M. Eugene Boylan,1947 Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising

determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
