Thomas Merton And The Monastic Vision:

Thomas Merton and the Monastic Vision Lawrence Cunningham, 1999 Cunningham theology U of Notre Dame explores Merton's monastic life and his subsequent growth into a modern day spiritual master Starting from Merton's entrance into the Abbey of Gethsemani in 1941 he highlights the development of Merton's monastic life against the cultural background of the American experience and the vast upheavals in the Roman Catholic Church thus showing how his writings and continuing influence can only be understood against the background of his contemplative experience as a Trappist monk Father Timothy Kelley the current abbot of the Abbey of Gethsemani and a former novice under Merton provides a foreword Annotation copyrighted by Book News Inc Portland OR

A Monastic Vision for the 21st Century Patrick Hart, 2006 An ancient lifestyle which has been adapted renewed and is still being followed today monasticism appears to some outside it as a quaint anachronism and to others as the sanest of all ways of living Can it survive in the post post modern world A dozen insiders and outsiders monastics academics clergy laypersons hermits cenobites poets and writers offer their reflections on the future of the monastic life of prayer and community Contributing their insights are Michael Casey Kathleen Norris Lawrence Cunningham Terrence Kardong Bonnie Thurston John Eudes Bamberger Joan Chittister Mary Margaret Funk Gal Fitzpatrick Francis Kline Daniel Coughlin Robert Morneau Miriam Pollard and Bernardo Olivera

Thomas Merton and the New World Paul R. Dekar, 2023-01-01 Merton still matters writes Paul R Dekar about Cistercian monk Thomas Merton Calling people to act justly love kindness and walk humbly Merton used his contemplative practice to see beyond what disrupts and divides us from one another to find the truth of our common humanity unity in our creation in the image of God In *Thomas Merton and the New World* Dekar focuses primarily on two issues of concern to our current world First he studies Merton's warnings of the abuse that stems from unmindful and irresponsible use of technology and its ecological devastation Second he examines Merton's thinking on racial injustice in the mid 1960s through his correspondence with his allies and contemporaries James Baldwin for example Using Micah 6:8 to arrange Merton's focus on justice lovingkindness and humility with input from Merton's dialogue with Gandhi Martin Luther King Rachel Carson and others Dekar demonstrates just how prophetic and transferable Merton's teachings remain

Thomas Merton Paul R Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century's most widely published and widely read spiritual writer This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation consumerism noise and technology The book includes parts of three previously unpublished conference contributions by Merton on technology Exploring Merton's thoughts on monastic renewal prayer radical simplicity ecology technology war peace and interfaith dialogue Dekar reminds us why Merton was so influential and why he continues to be so

Thomas Merton Mario Aguilar, 2011-03-18 A fresh exploration of Merton's life and thought focussing on his role as a Christian activist Written by an author who combines a contemplative life with political

action this is an inspirational book that will encourage readers to work towards a more just world *Thomas Merton's Encounter with Buddhism and Beyond* Jaechan Anselmo Park, 2019-03-07 Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton's role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton's self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton's understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton's contemplative spirituality and shows how Merton's legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context **Thomas Merton and the Celts** Monica R. Weis, 2016-09-19 Thomas Merton and the Celts offers a new lens through which to view Merton's life and spirituality By examining unpublished letters notebooks and taped conferences for the Trappist novices previously unavailable to the general reader the author breaks new ground in Merton studies revealing Merton's growing fascination with his Welsh ancestry Celtic monasticism and early Irish hermit poetry Merton having immersed himself in reading about Celtic Christianity not just about liturgy but about household rituals illuminated manuscripts high crosses and hermit poetry as well recognized in these ancient hermits who lived on water and herbs experienced kinship with creatures and wrote poems about the birds a mirror of his own desires Indeed in a profound way and at a deep level Merton discovered himself in Celtic Christianity **Mystics** William Harmless, 2008 In Mystics William Harmless SJ introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harmless's case study approach brings things down to earth restoring mystics to their historical context *The Franciscan Heart of Thomas Merton* Daniel P. Horan, 2014-09-22 Daniel Horan popular author of *Dating God* and other books on Franciscan themes and expert on the spirituality of Thomas Merton masterfully presents the untold story of how the most popular saint in Christian history inspired the most popular spiritual writer of the twentieth century and how together they can inspire a new generation of Christians Millions of Christians and non Christians look to Thomas Merton for spiritual wisdom and guidance but to whom did Merton look In *The Franciscan Heart of Thomas Merton* author Daniel Horan shows how both before and after he became a Trappist monk Merton's life was shaped by his love for St

Francis and for the Franciscan spiritual and intellectual tradition Given recent renewed interest in St Francis this timely resource is both informative and practical revealing a previously hidden side of Merton that will inspire a new generation of Christians to live richer deeper and more justice minded lives of faith *The Way of the Hermit* Mario I. Aguilar, 2017-03-21
Spanning hermits paths across multiple faiths and epochs Catholic Benedictine hermit and divinity scholar Mario Aguilar explores the shared value of silence contemplation and prayer in Christianity Hinduism and Buddhism This is an eye opening book about spiritual independence and interfaith harmony for any reader curious or devout
