Thomas Jefferson Author Of America Eminent Lives:

Thomas Jefferson Christopher Hitchens, 2024-04-16 An artful portrait of a complex formative figure in American history and his turbulent era from a New York Times bestselling author A balanced readable portrait A refreshing perspective New York Times Book Review In this unique biography of Thomas Jefferson leading journalist and social critic Christopher Hitchens offers a startlingly new and provocative interpretation of our Founding Father a man conflicted by power who wrote the Declaration of Independence and acted as ambassador to France yet yearned for a quieter career in the Virginia legislature A masterly writer Jefferson was an awkward public speaker A professed proponent of emancipation he elided the issue of slavery from the Declaration of Independence and continued to own human property A reluctant candidate he left an indelible presidential legacy This opinionated lively narrative sheds light not only on Jefferson s complex personality but on the politics of his time making it both a fascinating character study and an excellent review of early American history Publishers Weekly Hitchens brings his inimitable style of coruscating precision to Jefferson s ambiguities which have long provoked disparate opinions Imaginative without being inventive Hitchens is the rare author who can prune a complicated life such as Jefferson s to reveal its salient characteristics Booklist

Wilson, 2024-01-22 Displacing Jesus studies the inner workings of Thomas Jefferson's editing and shortening of the Gospels of the New Testament The Life and Morals of Jesus of Nazareth It uncovers the immanent moves of his editorial project and shows how he makes judgments on what to include and exclude from the Gospels As the book analyzes Jefferson's gospel it reconstructs his cut and paste project as a displacing of the biblical story of Jesus into a war on Jewish authorities Ignoring nearly all traditional religious themes the new gospel reframes the story into a battle against the narrow and hypocritical morality of the leaders of Second Temple Judaism Surprisingly Jefferson's editing does provide a robust if not traditional theology and a Christology centered in the passion of the Shepherd Sage who performs his death for Wisdom Displacing Jesus ends by connecting Jefferson's creation in The Life and Morals with theological themes with the history of his views on religion and with comments on how new insights into Jefferson's gospel can inform contemporary Jefferson research **The Popular Handbook of World Religions** Daniel J McCoy, 2021-03-23 A Christian's Guide to the World's Most Prominent Religions Meeting people from other religions is an incredible blessing and a unique challenge As Christians what do we need to know about their beliefs to effectively interact with them And how can we share about Jesus with sensitivity for someone's relationship to their current faith A compilation from some of today's top religion scholars The Popular Handbook of World Religions is a clear and insightful guide to understanding and conversing with followers of the world's major belief systems You will gain a balanced nuanced comprehension of what followers of other religions believe and see how those beliefs compare with those of Christianity develop deeper respect for different cultures and appreciate their unique traditions and ideas learn how to share about Christ with true compassion and a recognition of other people's
