Thoughts of the Heart Annette E Lewis, 2020-01-06 The purpose of this book is to share thoughts of my heart These thoughts you may be able to relate to have thought about or felt but were never able to verbalize As we go through life situations arise circumstances change and problems occur When these things happen we have thoughts that generate within us We keep them to ourselves because we think others may not understand or accept them A lot of Thoughts of the Heart go unspoken Others may have pondered the words but never found a way to express them This is the platform God has given me to release my hidden thoughts Though they were buried internally now they have been resurrected for all to hear There is something liberating and therapeutic about sharing what is on your heart **From the Heart** Jeffrey L. Kosky, 2025-02-25 What does it mean to have a heart How does it feel when a heart fails and what does it take to recover In a world beset by never ending crises personal and collective local and global is heartlessness the only option From the Heart weaves together a personal narrative of a life threatening ailment with considerations of philosophy art and science to contemplate ultimate questions matters of life and death Jeffrey L Kosky recounts his brush with death the surgical repair of a congenital defect in his aortic valve his gradual recovery of everyday life and his struggle to find the heart to go on throughout it all To make sense of the experience he immerses himself in humanistic inquiry and medical science the histories of medicine cardiac surgery and knowledge of the human heart as well as the works of artists writers philosophers and theologians Writing about the experience of being human from the precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living **Thoughts from the Heart** Tanee McIntosh, 2004-01-01 Poetry book **Treasures of the Heart** Pastor Cora L.
