**Blessings Beyond the Binary** Nora Rubel, Brett Krutzsch, 2024-09-13. Transparent made history as the first television show to feature a transgender character in the main role as the first streaming series to win the Golden Globe for Best Television Series and as in the words of journalist Debra Nussbaum Cohen the Jewishest show ever. No television show in history has depicted the lives of American Jews with as much attention to Jewish rituals, quirks, or culture. And no series has portrayed issues of gender and sexuality alongside Judaism with such nuance and depth, making Transparent a landmark series in the history of television. Blessings beyond the Binary brings together leading scholars to analyze and offer commentary on what scholar Josh Lambert calls the most important work of Jewish culture of the century so far. The book explores the show's depiction of Jewish life, religion, and history, as well as Transparent's scandals and criticisms, and how it fits into and diverges from today's transgender and queer politics. The first book to focus on Transparent, Blessings beyond the Binary offers a rich analysis of the groundbreaking series and its connections to contemporary queer, trans, and Jewish life.

Alt-Right Mike Wendling, 2018-04-03T00:00:00Z. This book is a vital guide to understanding the racist, misogynist far-right movement that rose to prominence during Donald Trump's successful election campaign. To some, the movement appears to have burst out of nowhere, but journalist Mike Wendling has been tracking the Alt-Right for years. He reveals the role of technological utopians, reactionary philosophers, the notorious 4chan bulletin boards, and a range of bloggers, vloggers, and tweeters, and the extreme ideas they attempt to popularize. Analyzing what the Alt-Right stands for based upon interviews with movement leaders and foot soldiers, Wendling provides evidence linking extremists with terror attacks and hate crimes. Ultimately, the book argues that despite its high-profile support, the movement's contradictory tendencies will lead to its downfall.
