West, Mark, Chew Han Ei

Top Romance Books 2013:

The Routledge Research Companion to Popular Romance Fiction Jayashree Kamblé, Eric Murphy

Selinger, Hsu-Ming Teo, 2020-08-11 Popular romance fiction constitutes the largest segment of the global book market. Bringing together an international group of scholars, *The Routledge Research Companion to Popular Romance Fiction* offers a ground-breaking exploration of this global genre and its remarkable readership. In recognition of the diversity of the form, the Companion provides a history of the genre, an overview of disciplinary approaches to studying romance fiction, and critical analyses of important subgenres, themes, and topics. It also highlights new and understudied avenues of inquiry for future research in this vibrant and still-emerging field. The first systematic, comprehensive resource on romance fiction, this Companion will be invaluable to students and scholars and accessible to romance readers. [The 100 Best Romance Novels](#)

Jennifer Lawler, Crimson Romance Editors, 2012-12-18 My feelings will not be repressed. You must allow me to tell you how ardently I admire and love you. Mr. Darcy. *Pride and Prejudice*. The taboo affair of Jane and Mr. Rochester. The literally timeless love between Edward and Bella. The improbable pairing of Grace and Josh. Climb between the covers with *The 100 Best Romance Novels*, collected here for the very first time. Avid fans of the romance genre, the ladies at Crimson Romance know a thing or two about igniting scintillating passion. They've not only collected 100 of the best romance novels of all time but also provided delicious summaries for each of their picks. From tempting classics like E. M. Hull's *The Sheik* to adrenaline-pumping contemporaries like Jennifer Crusie's *Bet Me*, this collection of romance novels is sure to melt your heart. **Defending**

Frequently Challenged Young Adult Books Pat R. Scales, 2016-09-08 A Day No Pigs Would Die. Speak. Thirteen Reasons Why. These are some of the most beloved and most challenged books. Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges. While ALA's Office for Intellectual Freedom reports more than 4,500 challenges to young adult literature from 2000 through 2009, this authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers. With a profile of each book that includes its plot and characters, related materials, and published reviews, awards, and prizes, and Web and audiovisual resources, you will be prepared to answer even the toughest attacks. **All For Love: The**

SuperStar Raynetta Manees, 2016-09-23 2017 Emma Award Finalist. Best Contemporary Romance. Discover the romance of international superstar Darryl Bridges and beautiful businesswoman Angela Delaney and the romances of their family and friends in *The SuperStar Series*. Book 1 and 2 begin this one-of-a-kind series with the romance of the century as told from each lover's point of view. Book 1 is Angela's story. Book 2 is Darryl's story. Book 2: *All For Love: The SuperStar Darryl's Story*. International pop superstar Darryl Bridges counts his fans not in the millions but in the billions, yet he sleeps alone due to the private tragedy that broke his heart. Then, in one surprise encounter, his world is changed inside out. But will the very lifestyle that brought him untold fame and fortune cause the destruction of the love he would give his life to save? Widowed.

businesswoman Angela Delaney has suffered tragedy as well and after years of struggle has finally achieved financial stability for herself and the child she was left to raise alone The love she thought she would never find miraculously materializes and from the most incredible source But how much of her present life must she sacrifice to sustain it Two people so different on the surface but such soul mates underneath But can they survive the multitude of forces conspiring to not only tear them apart but to literally destroy them in the process Forces willing to go to any length to demolish their love even if it includes murder

Book Wars John B. Thompson, 2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks *Book Wars* provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

Champagne for Christmas Jean C. Joachim, 2019-11-05 Can a summer romance survive the cold of winter Nina Wells a widow in her late forties had buried love with her husband Until she met the playwright next door Clint a school teacher by profession is sweating through his first play When he accidentally dumps his mint chip ice cream on Nina s chest he meets the one woman who believes he can write Nina an actress sees Clint s talent Using her experience in the theater to guide him she bonds with him over the play They collaborate writing and cooking together The summer flies by as Nina falls in love and hopes her new man will revive her dormant acting career as well as her love life But once back in the City reality bombards them at every turn There s no sentiment in the theater only cold hard reality What will Clint do when faced with the option of losing his dream or the woman of his dreams

A Lifetime of Fiction William Patrick Martin, 2014-04-10 A Lifetime of Fiction The 500

Reading in the mobile era West, Mark, Chew Han Ei, 2014-04-28 Millions of people do not read for one reason they do not have access to text But mobile phones and cellular networks are transforming a scarce resource into an abundant one Drawing on the analysis of over 4 000 surveys collected in seven developing countries and corresponding qualitative interviews this report paints a detailed picture of who reads books and stories on mobile devices and why The findings illuminate for the first time the habits beliefs and profiles of mobile readers in developing countries This information points to strategies to expand mobile reading and by extension the educational and socio economic benefits associated with increased reading Mobile technology can advance literacy and learning in underserved communities around the world This report shows how

Love and Work Mieke Polderman, 2014-09-01 Is there interaction between love and work If so in what ways does it appear The main incentive for this research is the notable increase of American and Dutch people who wish to spend more and more of their time working and who feel useless and robbed of their identity when separated from their jobs It seems that work is considered more fulfilling and satisfying than love which can be undermined by failing relationships tension depression violence addiction crime or angry and unmanageable children Whereas Proust described love in a milieu where most of the work was done by servants and artists Freud was convinced that love and work were the two main pillars of society This view has been echoed by psychologists sociologists philosophers and novelists However a new phenomenon is that men and women share love and work Finding the right balance between the two is a hot topic in how to books newspaper and magazine articles but the underlying connections have received little if any scrutiny In fact it may well be a mission impossible since as the Frankfurt School asserted the capitalist powers in search of profit urge politicians to lure men women and children onto the work floor by telling them work is a duty that not only will provide disposable income but also happiness and fulfillment in life Hence people internalize this message without asking themselves why continuous consumption is more important than giving and receiving love which they crave but seldom find Although focusing on middle class people between the ages of twenty five and forty who are travelling the highway of life have paid jobs a relationship of at least three years and children this study should be of interest to everyone

Love Stories: Writing a Romance Novella in Thirty Days or Less Rachelle Ayala, 2015-12-10 Romance Writers do you want to Keep your name in front of your readers with more releases and titles Learn why you should write shorter in order to write quicker Meet and exceed

your yearly writing goals Participate in multi author boxed sets for increased visibility and profit Claim your fair share of your reader s attention span in today s tsunami of books by producing a series of novellas or episodic serials Make more money while writing less If you do you must master the art of writing shorter works while still providing your readers that great experience of your personal brand of storytelling and character voice This book teaches you how to write an effective and engaging romance novella in a few short weeks Learn the seven milestones that every novella must have and the difference between a novella and a novel Includes a step by step method a schedule tips and tricks as well as pitfalls to avoid You will be able to consistently create high quality stories that will entertain and enrich your readers
