Trader Vic on Commodities Victor Sperandeo, 2008-02-13 In *Trader Vic on Commodities* Wall Street legend Victor Sperandeo explains in simple terms how these markets operate removes some of the mystique and uncertainty involved and offers a proven method for capitalizing on commodity market trends without taking giant risks Sperandeo shows that as commodities are cyclical in

nature your goal should be to capture as much of the major market trends as possible while balancing that goal with a minimum of risk

The New Market Wizards Jack D. Schwager, 2012-10-10 Praise for THE NEW MARKET WIZARDS Jack Schwager simply writes the best books about trading I've ever read These interviews always give me a lot to think about If you like learning about traders and trading you'll find that reading this book is time well spent Richard Dennis President The Dennis Trading Group Inc Jack Schwager's deep knowledge of the markets and his extensive network of personal contacts throughout the industry have set him apart as the definitive market chronicler of our age Ed Seykota Very interesting indeed John Train author of The Money Masters Successful trading demands longtime experience because it requires firsthand knowledge If there is a shortcut to this requirement however it is in reading about the experiences of others Jack Schwager's book provides that shortcut If you find yourself sweating upon occasion as you read then you're as close to the trading experience as you can get without actually doing it yourself Robert R Prechter Jr editor The Elliott Wave Theorist THE NEW MARKET WIZARDS Some traders distinguish themselves from the herd These supertraders make millions of dollars sometimes in hours and consistently outperform their peers As he did in his acclaimed national bestseller Market Wizards Jack Schwager interviews a host of these supertraders spectacular winners whose success occurs across a spectrum of financial markets These traders use different methods but they all share an edge How do they do it What separates them from the others What can they teach the average trader or investor In The New Market Wizards these wildly successful traders relate the financial strategies that have rocketed them to success as well as the embarrassing losses that have proven them all too human Meet the Wizards of Wall Street Stan Druckenmiller who as manager of the Soros Quantum Fund realized an average annual return of more than 38 percent on assets ranging between 2.0 and 3.5 billion William Eckhardt a mathematician who in collaboration with trader Richard Dennis selected and trained the now legendary circle known as the Turtles Bill Lipschutz a former architect who for eight years was Salomon Brothers largest and most successful currency trader Blair Hull a one time blackjack player who began an options trading company with Asking the questions that readers with an interest in the financial markets would love to pose to the financial superstars and filled with candid appraisals The New Market Wizards takes its place as a classic

Investment Psychology Explained Martin J. Pring, 1995-11-03 Expert advice in a back to basics handbook on how to beat the market the classic way In Investment Psychology Explained Martin J Pring one of the most respected independent investment advisors in the world argues that in the revisionist 90s there are no quick magical paths to market success Rather he emphasizes the timeless values of hard work patience and self discipline and much more Drawing on the wisdom of creative investors such as Jesse Livermore Humphrey Neill and Barnard Baruch as well as his own experience Pring shows how to Overcome emotional and psychological impediments that distort decision making Map out an independent investment plan and stick to it Know when to buck herd opinion and go contrarian Dispense with the myths and delusions that drag down other investors Resist the fads and so called experts whose siren call to success

can lead to disaster Exploit fast breaking news events that rock the market Deal skillfully with brokers and money managers Learn and understand the rules that separate the truly great investors and traders from the rest Reading Investment Psychology Explained will give you a renewed appreciation of the classic trading principles that through bull and bear markets have worked time and again You ll see with the help of numerous illustrative examples what goes into making an effective investor and how you can work toward achieving that successful profile *Trader Vic on Commodities* Victor Sperandeo,2008-02-08 In *Trader Vic on Commodities* Wall Street legend Victor Sperandeo explains in simple terms how these markets operate removes some of the mystique and uncertainty involved and offers a proven method for capitalizing on commodity market trends without taking giant risks Sperandeo shows that as commodities are cyclical in nature your goal should be to capture as much of the major market trends as possible while balancing that goal with a minimum of risk
