Vietnam Richard Ralph Smith,1985 **Vietnam** ,1998* **Vietnam Reflexes and Reflections** Anthony F. Janson,National Vietnam Veterans Art Museum,1998-10 The long overlooked art of Vietnam War veterans offers a unique perspective on a momentous event in American history Nearly 200 works in a wide ranges of mediums are highlighted from the extraordinary collection at the National Vietnam Veterans Art Museum in Chicago 307 illustrations 123 in color

Reflexes and Reflections Richard Ralph Smith,1985 **Vietnam Veterans National Medal Act** United States. Congress. House. Committee on Banking, Finance, and Urban Affairs. Subcommittee on Consumer Affairs and Coinage,1983

Why Vietnam Margaret Colbert Brown,2025-03-30 Explores the complex reasons behind the USA s involvement in Vietnam analyzing political social and military factors The reasons behind the USA s involvement in Vietnam remain a subject of extensive debate Initially America supported the French until their defeat at Dien Bien Phu which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia Why Vietnam delves into the myriad reasons for US involvement examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh s plea for independence at the Treaty of Versailles through to Johnson s full commitment to the undeclared war which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia The questions of why the USA became involved whether their involvement was justified and if the war was ever winnable have been fiercely debated for over 50 years This book seeks to address these whys by providing a thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era **Supplement to Vietnam 1964-1973** ,2005 *Supplement to Vietnam 1964-1973* Elwood L. White,2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist **Vietnam Combat** Robin Bartlett,2023-01-05 An American soldier vividly recounts leading a platoon through the most chaotic and significant year of the Vietnam War In 1968 1st Lieutenant Robin Bartlett was reassigned to the 1st Cavalry Division Airmobile He suddenly found himself at the repo depo in Bien Hoa His unit had more helicopter support than any other in Vietnam That meant immediate support was only minutes away But It also meant that Bartlett s

platoon could deploy at a moment's notice And they did It was the worst of times to be a platoon leader in Vietnam let alone a grunt serving in a combat unit Beyond the brutality of combat Bartlett faced a crisis of commitment as the war rapidly lost support both at home and among the soldiers he led Fifty years later Bartlett shares these harrowing experiences in a fast moving first person narrative that shines a light on the horror fear anguish and sometimes illogical humor of that war Finalist 2023 Army Historical Foundation Distinguished Writing Awards **Revisiting Vietnam** Julia Bleakney, 2013-09-13 This book explores the memorializing practices of American veterans of the Vietnam War at several of the most significant contemporary sites of memory in the United States and Vietnam These sites include veterans memoirs museum exhibits replicas of the National Vietnam Veterans Memorial and tourism to Vietnam Because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery I emphasize how contemporary narratives of the war shaped more by memory than by history often are detached from the specific history of the war and its political controversies Drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the U S and Vietnam the author examines how veterans memorializing practices have become increasingly individualized commodified and conservative since the early 1980s
