Close Cover: A Masters and Mercenaries Novel Lexi Blake, 2018-04-10 Remy Guidry doesn't do relationships. He tried the marriage thing once back in Louisiana and learned the hard way that all he really needs in life is a cold beer, some good friends, and the occasional hookup. His job as a bodyguard with McKay Taggart gives him purpose and lovely perks like access to Sanctum. The last thing he needs in his life is a woman with stars in her eyes and babies in her future. Lisa Daley's life is going in the right direction. She has graduated from college after years of putting herself through school. She's got a new job at an accounting firm, and she's finished her Sanctum training. Finally on her own and having fun, her life seems pretty perfect. Except she's lonely, and the one man she wants won't give her a second look. There is one other little glitch. Apparently her new firm is really a front for the mob, and now they want her dead. Assassins can really ruin a fun girl's night out. Suddenly strapped to the very same six-foot-five-inch hunk of a bodyguard who makes her heart pound, Lisa can't decide if this situation is a blessing or a curse. As the mob closes in, Remy takes his tempting new charge back to the safest place he knows: his home in the bayou. Surrounded by his past, he can't help wondering if Lisa is his future. To answer that question, he just has to keep her alive.

Siren Reborn Lexi Blake, Sophie Oak, 2020-01-07 Cole Roberts and Mason Scott loved each other since childhood, but they needed something more to make them whole. They searched for a woman who could complete them, but a terrible accident tore them apart. Their perfect life shattered; they were each left angry and alone. Kitten Taylor's past is filled with heartache. She yearns to be part of a family she can call her own. When Cole takes her in, she hopes to finally find the place she belongs, but quickly realizes something is wrong. There is a chasm between them, and every day it seems to get worse. When they are alone together, she can sense the wonderful bond they could share, but they can't seem to find a way to connect. Everything changes when Kitten meets Mason for the first time. She instantly feels a connection and realizes how perfect their lives could be if Mason and Cole could look beyond the past. When a killer puts the trio in their crosshairs, Cole and Mason will have to put aside the betrayal and hurt they allowed to consume them in order to forge a future with the woman they love.

Steal the Light Lexi Blake, 2013-08-13 When dealing with demons, the devil's in the details. Stealing mystical and arcane artifacts is a dangerous business, especially for a human, but Zoey Wharton is an exceptional thief. The trick to staying alive is having friends in all the wrong places. While having a witch and a werewolf on the payroll helps, being partners with a vampire really opens doors. Zoey and Daniel were childhood sweethearts until a violent car crash took his life and left her shattered. When Daniel returned from the grave as a vampire, his only interest in Zoey was in keeping her safely apart from the secrets of his dark world. He has vowed to protect her, but his heart seems as cold as the night he calls home. Five years later, a mysterious new client named Lucas Halfer offers Zoey a fortune to steal the Light of Alhorra. The search for the Light leads Zoey into the arms of an earthbound faery prince, Devinshea Quinn, who sweeps her off her feet, showing her everything the supernatural world has to offer, but Daniel still calls to her heart. As the true nature of the Light is revealed,

Zoey discovers Halfer is a demon and much more than money is at stake Per her contract she must give him the Light or spend an eternity in Hell What s a girl to do except fight for her soul and her heart A Thieves Novel by Lexi Blake *Three to Ride* Lexi Blake,Sophie Oak,2018-03-20 Re released in a second edition with two new chapters and additional new content Rachel Swift is a woman on the run A stalker sent Rachel s world reeling Now she s running for her life and Bliss CO seems like the perfect place to hide Bliss is a strange little town filled with artists nudists and the occasional conspiracy nut It s a good place to start over Max and Rye are just the men to catch her Horse trainer Max and Sheriff Rye gave up on their dream of finding one perfect woman to share long ago Rachel walks in and they re both in love and fighting their true natures A town like no other When Rachel s past catches up with her all of Bliss is in danger Rachel knows she should run but how can she leave behind the love she s found with Max and Rye and the home she s built in Bliss With her whole town behind her Rachel is ready to make her stand It s time for her to get back in the saddle and ride **No Love Lost** Lexi Blake,2020-09-29 When Ezra Fain joined the ranks of the CIA the last thing on his mind was romance After meeting Kim Solomon it was difficult to think of anything else A tragic mistake drove them apart leaving him shattered and unable to forgive the woman he loved But when his greatest enemy threatens her life Ezra leaps into action prepared to do anything to try to save her Solo accepted long ago that she won t get over Ezra She s worked for years to get back into his life looking for any way to reignite the love they once shared Unfortunately nothing seems to penetrate the wall he has built between them When she s arrested for a crime she didn t commit she believes she s on her own Racing across the globe Ezra and Solo find themselves together again caught in the crosshairs of the agency they sacrificed so much to serve Days on the run soon turn to steamy nights but Levi Green isn t about to let them find their happily ever after And when the smoke clears the men and women of McKay Taggart will never be the same again **Lost in You** Lexi Blake,2019-08-06 Robert McClellan was forced to serve as a soldier in a war he didn t understand Liberated by McKay Taggart he struggles every day to reclaim the life he lost and do right by the men he calls his brothers The Lost Boys Only one thing is more important Ariel Adisa The gorgeous psychologist has plagued his dreams since the day they met Even as their mission pushes him to his limits he can t stop thinking about taking his shot at finding a life beyond all this with her Ariel Adisa is a force to be reckoned with Her performance in Toronto proved she s more than just a brilliant mind but Robert still acts as if she is a wilting flower who needs his protection Joining him on the mission to Munich should be the perfect opportunity to test their skills and cement their relationship She and Robert are an excellent match But when a stunning secret from Robert s past is revealed their world is turned upside down and nothing will ever be the same again While they chase dark secrets across Europe Robert and Ariel realize that the only thing worse than not knowing who you are could be discovering who you used to be
