A Day in a Working Life Gary Westfahl, 2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field **Twentieth-Century Literary Encounters in China** Jeffrey Mather, 2019-10-10 From the travel writing of the eccentric plant collector and Reginald Farrer to Emily Hahn s insider depictions of bohemian life in semi colonial Shanghai to Ezra Pound s mediated journeys to Southwest China via the explorer Joseph Rock Anglo American representations of China during the first half of the twentieth century were often unconventional in terms of style form and content By examining a range of texts that were written in the flux of travel including poems novels autobiographies this study argues that the tumultuous social and political context of China s Republican Period 1912-49 was a key setting for conceptualizing cultural modernity in global and transnational terms In contrast with accounts that examine China s influence on Western modernism through language translation and discourse

the book recovers a materialist engagement with landscapes objects and things as transcribed through travel ethnographic encounter and embodied experience The book is organized by three themes which suggest formal strategies through which notions cultural modernity were explored or contested borderlands cosmopolitan performances and mobile poetics As it draws from archival sources in order to develop these themes this study offers a place based historical perspective on China s changing status in Western literary cultures
