Culturize Jimmy Casas, 2020-05-15 This Action Guide is a tool to accompany *Culturize Every Student Every Day* Whatever

It Takes by Jimmy Casas A practical book to help all educators understand what it takes to cultivate a community of learners who embody human traits such as kindness compassion and honesty Culturize begins with the premise that by cultivating a collective professional mindset that centers on championing for all students expecting excellence in all that we do carrying the banner for our students our school and each other and serving as merchants of hope for our students and each other educators can shift schools away from a culture that runs on compliance blame and fear to a culture based on investment and caring Jimmy shares inspiration stories and strategies to help overcome the negative undercurrents that exist in school cultures today and explains how educators in all roles can reach students who seem unreachable connect with students who are disengaged and at risk of dropping out ensure that students feel cared for and empowered and create environments in which all students are challenged and inspired to be their very best His insights into navigating the complexities of working in schools is an invaluable resource for all educators who desire to make a difference in the lives of the students and parents they serve as well as the colleagues with whom they serve This Action Guide is a road map to taking action steps based on the ideas found in Culturize so that our schools can best serve the students of today Connected Teacher Learning, an Examination of a Teacher Learning Network Jennifer Irene Berne,2001 *Learning and Leading with Technology* ,2003

The Connected Educator Sheryl Nussbaum-Beach,Lani Ritter Hall,2011-11-14 Create a connected learning community through social media and rediscover the power of being a learner first After uncovering the theories and research behind the significance of learning through collaboration with other educators the authors show you how to take advantage of technology to improve your own learning and ultimately the learning of your students Making Sense of the Links Marjorie Carol Rhodes Wallace,2005 **Handle with Care** Joy Kelly,Jimmy Casas,2021-03-21 In Handle with Care authors Jimmy Casas and Joy Kelly examine a variety of difficult school related situations both in and out of the classroom In schools across the country educators at every level are faced with delicate challenging situations that require leadership skills and insights in order to produce favorable outcomes for students and staff This book provides educators with insights into a variety of difficult to handle situations and scenarios that educators can relate to and may have experienced themselves Well intentioned but inadequate human responses are identified and practical ideas for handling delicate situations with dignity and respect are provided This book will help educators develop tools and techniques to help students and staff emerge from missteps more self aware feeling valued and able to move forward In this book you will learn What it takes to cultivate a school culture in which every student and staff member feels seen and heard How to treat student and staff missteps as opportunities for teaching and learning based on dignity and respect How to build leadership capacity and Culturize school pride The value of student centered classrooms and school related programs *Classroom Connect's A+ Yellow Pages* Christopher J.
