What Is Wrong With My Christianity:

What Is Wrong with My Christianity? Richard L. Larkin, 2014-10-31 Regardless of your religion your school of theology what you were taught at home growing up or any other factors just like anyone else you have had your share of concerns about Christianity really is Rich Larkin wants to share with you what the Holy Spirit has taught him about the personal privilege of being in a relationship with Jesus Christ The way is open to everyone but not everyone who believes in the Savior has a true connection with him Which group do you belong in In What s Wrong with My Christianity Rich Larkin wants to help you with practicing the presence of God to find His Spirit not simply in your external circumstances but living within your being For anyone who has been intimidated to ask questions like these this book is for you What is My Faith? Leo Tolstoy, 2024-05-09 Appearing only months after Confession Tolstoy s What is My Faith often rendered in English as What I Believe pushes the argument from private trauma to public statement Anyone drawn to radical Christian ethics will find in these pages the seed of twentieth century non violent resistance long before Gandhi or King shaped the idea Published in Geneva by the same free thinking circle in late 1884 the book was promptly banned in the Russian Empire its import thwarted at the frontier for Tolstoy aimed straight at the nexus of state power and ecclesiastical dogma accusing both of betraying the Sermon on the Mount The treatise advances a literal reading of Christ s ethical injunctions arguing that Christian truth requires absolute renunciation of violence oath taking and property in place of theology Tolstoy offers a painstaking commentary on Gospel passages that converges on a form of Christian anarchism a term his readers later supplied By fusing spiritual rigor with social critique the book redirected Russian intelligentsia away from Marxist militancy toward ethical pacifism influenced the Doukhobors in their emigration to Canada and furnished moral ammunition for pacifist movements across Europe all while foreshadowing the concise biblical harmony that would become The Gospel in Brief This critical reader s edition presents a modern translation of the original manuscript crafted for the modern reader with clean contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated references Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Tolstoy s personal history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy **Happy about My Christian Faith** Don Huntington, 2007 We discover life as much with our hearts as with our heads Personal experiences relationships and stories provide more effective media for investigating spiritual realities than any essay or scholarly treatise That is precisely the gift that the ten contributors in this book have shared Five of these contributors discuss how they have used faith to help others while five discuss how they have used faith to help themselves HELPING OTHERS Many of us wish that we could lead lives of service and would prefer one day to leave the world a better place

because we were in it Perhaps reading the accounts of these peoples faith and service to others will open a place in your heart to follow suit **HELPING THEMSELVES** Many of us are on a quest for personal redemption Abuse compulsive behaviors trauma bad parenting peer pressure fear of death and a thousand other social pressures serve as albatrosses around our necks The concluding chapters describe how five individuals discovered upward pathways towards the light through dark forces and circumstances in their lives This is absolutely one book you must read It will make you laugh it will make you cry it will give you inspiration **Religious Diversity—What's the Problem?** Rita M. Gross,2014-04-24

Once upon a time on grounds of both religion and common sense people assumed that the earth was flat and that the sun literally rose and set each day When newly developing knowledge made those beliefs untenable giving them up was difficult Today the belief that only one of the world s various religions is true for all people on earth is equivalent to the belief in a flat earth Both notions have become untenable given contemporary knowledge about religion Even though many people are still troubled by the existence of religious diversity today that diversity is a fact of life Religious diversity should be no more troubling to religious people than the fact that the earth is round and circles the sun This provocative book based on the author s longtime practice of Buddhism and comparative study of religion provides tools with which one can truly appreciate religious diversity as a gift and resource rather than as a deficiency or a problem to be overcome After we accept diversity as inevitable and become comfortable with it diversity always enriches life both nature and culture *On Christian Teaching* David I.

Smith,2018-05-28 Christian teachers have long been thinking about what content to teach but little scholarship has been devoted to how faith forms the actual process of teaching Is there a way to go beyond Christian perspectives on the subject matter and think about the teaching itself as Christian In this book David I Smith shows how faith can and should play a critical role in shaping pedagogy and the learning experience *My confession. My religion. The gospel in brief* graf Leo

Tolstoy,1899 **Blind Faith** Morn Du Toit,2008-02-16 Blind Faith is a book written by an ex Christian on a personal journey to find the light and truth in a world of darkness and deceitfulness It takes the reader on a shocking but revealing journey through the Bible and the Christian religion With sound facts science and common sense the Christian bible and religion is systematically analyzed and dissected This book exposes the truth about our God his son Jesus and the Christian dogma With this book debunking Christianity has reached a new level of simplicity and ease **My Faith Versus Power and Addiction**

William David Woods,2015-01-10 This is a book about a man s life that was seemingly taken away from him But during his journey he found his God whom he thought had forgotten him and developed a much stronger relationship with Him With his story he wants to help those who are or may have experienced a similar experience **My Journey from Islam to**

Christianity Kenny Abdulsalam,2015-05-29 This book is about my life growing up as a Muslim boy and young Islamic scholar in West Africa In search for answers I arrived at the truth through objective study of the Bible and the Quran I began to discover the errors in the Quran Many Muslims have been misled which will be demonstrated in this book and some have

become extremists as a result For those who have the potential to become Islamic extremists and terrorists and for the Christian reader this book is my attempt as a former Muslim to create a bridge between the Islamic and Christian world Without judgment or condemnation this is my way of reaching out to my Muslim brethren so that we can at least have a conversation about Jesus Christ and Mohammed *Faith* Dale Larsen,Sandy Larsen,2011-10-18 If you ever struggle with uncertainties about faith you ll find good company in the pages of the Bible Dale and Sandy Larsen lead you through nine LifeGuide Bible studies on people who struggled with faith to encourage you in your journey to deeper trust Complete Works of Swami Vivekananda Swami Vivekananda,2019-11-27 Text from all nine volumes of Complete Works of Swami Vivekananda as well some unpublished material is available here All proceeds are donated to Advaita Ashrama India 12

up while you face your challenges **The Christian Statesman** ,1928 **Record of Christian Work** Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1911 Includes music *ThirdWay* ,1984-09 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **My Stories of Faith** Eric Elder,2020-05-25 From the Introduction The Gift of Faith When I first put my faith in Christ He gave me a gift of faith I thought every Christian received the same gift In that moment I suddenly believed God could do anything absolutely anything I believed the whole Bible was true from cover to cover I believed anything God did in the past He could do again And I believed He could do even greater things than these even through me As Jesus said Truly I tell you whoever believes in Me will do the works I have been doing and they will do even greater things than these John 14 12 It wasn't until several years later when I took a spiritual gifts inventory that I realized God had given me a gift of faith a supernatural gift to believe God can do supernatural things And it was then that I realized God wanted me to use this gift as He wanted all of us to use our gifts for building up others in their faith Or as the Apostle Paul says to equip His people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ Ephesians 4 12 13 But I wondered how to do this As I asked others they said that whenever I would tell them my stories of faith how God had worked in my life they were encouraged in their faith to believe that God could work in their lives too Yes That made sense When people needed a boost in their faith I could give them some of mine Isn't that the way with all of our gifts When people need wisdom or money or healing or help or encouragement we share with them whatever wisdom or money or healing or help or encouragement we have been given see 1 Corinthians 12 14 So I began that day sharing my stories of faith in a more intentional way writing them down sending them out and telling them to others when they needed a lift And that's what I'm doing with this book for you If you need a boost in your faith if you need to believe that God can do something impossible for you if you need to know that God is real that He loves you that He is FOR you and has a purpose for your life then this book is for you Because along with hope and love faith is one of the top three things we all need in life see 1 Corinthians 13 13 With that as an introduction I'd like to begin telling you a few of my stories of faith starting with the day I was born Well not that far back I'll start with the day I was born again at age 23 the day I put my faith in Christ and He put His gift of faith in me Eric Elder *The Works of Joseph Bellamy* Joseph Bellamy,1853 **Like Birds in a Cage** David M. Crump,2021-10-28 When Christians collude in crimes against humanity they betray their citizenship in the kingdom of God demonstrating that Christ's Lordship does not rule over every area of their lives The popular ideology known as Christian Zionism is a prime enabler of such widespread discipleship failure in western Christianity As the state of Israel continues to violate international law with colonial settlement in lands captured by warfare legalized racial discrimination and the creation of what many have called the world's largest open air prison in Gaza Christian Zionists continue their unqualified support for Zionist Israel Though Israel

advertises itself as the only democracy in the Middle East it is actually a rigid ethnocracy its entire society built on the foundations of Jewish supremacy over a Palestinian underclass History will eventually judge Christian Zionist support for Israel s crimes against the Palestinians in the same way people of conscience now condemn the Christian church in the American South for its defense of slavery and hostility towards the civil rights movement Just as the Southern Baptist church finally repudiated its pro slavery past so everyone genuinely devoted to Jesus Christ must repudiate both the ideology and the legacy of Christian Zionism
