Which Chosen People Manifest Destiny Meets The Sioux:

Which Chosen People? Manifest Destiny Meets the Sioux Robert Dodge, 2013 The belief in American exceptionalism reached its apex during the 1800s and was expressed as a God given passport called Manifest Destiny Among its victims were Native Americans The Sioux resisted eventually in desperation resorting to Ghost Dancing and claiming that Indians not the whites were the chosen people The military political and legal destruction of Indian culture provided precedent and justification for the empire building that accelerated soon after Sioux resistance was crushed Frank Fiske was a young boy who observed this confrontation firsthand at the Standing Rock Reservation in North Dakota where Sitting Bull was held then killed Fiske recorded the story as he grew and also kept the glorious past of the Sioux alive with his spectacular photographs of the people and their traditions The story of the Sioux is interwoven with the story of the early years in the life of the multi talented Fiske who attended school at Fort Yates with Indian children He entertained soldiers cowboys and Indians by playing the violin worked as a steamboat cabin boy and helped in the army post s photograph studio Photography proved to be his specialty and when still in his teens he opened his own commercial studio His appreciation of Native American culture led him to photographing the Sioux Fiske s photographs feature prominently in this book and his photographic techniques are explained This thought provoking book documents the dramatic atmosphere where the US Army Mississippi steamboat captains missionaries hard pressed settlers and a host of other characters converged with the American Indians during the westward expansion a critical time in US history when the character of the nation was still being forged

Dahcotah; or, Life and legends of the Sioux around Fort Snelling Mary Henderson Eastman,1849 **Dahcotah: Life and Legends of the Sioux Around Fort Snelling** Mary H. Eastman,2019-12-16 In *Dahcotah* Life and Legends of the Sioux Around Fort Snelling Mary H Eastman offers a rich and nuanced exploration of Sioux culture during a pivotal period in American history Combining vivid storytelling with firsthand observations Eastman weaves together the oral traditions spiritual beliefs and daily lives of the Dakota people Her work stands out not only for its ethnographic detail but also for its

lyrical prose reflecting a deep appreciation for the Sioux's connection to their land and heritage. Set against the backdrop of Fort Snelling, her narrative articulates the complexities of Indigenous life amidst encroaching colonial influences, combining both anthropological insight and artistic flair. Mary H. Eastman, a pioneer in early American literature, draws from her unique experiences as a wife of a military officer stationed at Fort Snelling. Her interactions with the Sioux people, combined with her keen observation skills, inform her portrayal of their legends and lifestyle. Eastman was not merely a bystander; she actively engaged with the community, allowing her to document their truths in an era dominated by Eurocentric perspectives. This book is essential for readers seeking to understand Native American history through the voices of the Sioux, as well as for those interested in early Americana and ethnography. Eastman's empathetic narrative serves as both a cultural touchstone and a scholarly resource, making *Dahcotah* a valuable addition to any collection on Indigenous studies or American history.

Dahcotah: Life and Legends of the Sioux Around Fort Snelling Mary Henderson Eastman, The materials for the following pages were gathered during a residence of seven years in the immediate neighborhood nay in the very midst of the once powerful but now nearly extinct tribe of Sioux or Dahcotah Indians. Fort Snelling is situated seven miles below the Falls of St. Anthony at the confluence of the Mississippi and St. Peter's rivers, built in 1819 and named after the gallant Colonel Snelling of the army by whom the work was erected. It is constructed of stone, is one of the strongest Indian forts in the United States, and being placed on a commanding bluff, has somewhat the appearance of an old German castle or one of the strongholds on the Rhine. The then recent removal of the Winnebagoes was rendered troublesome by the interference of Wabashaw, the Sioux chief, whose village is on the Mississippi 1800 miles from its mouth. The father of Wabashaw was a noted Indian, and during the past summer the son has given some indications that he inherits the father's talents and courage. When the Winnebagoes arrived at Wabashaw's prairie, the chief induced them not to continue their journey of removal, offered them land to settle upon near him, and told them it was not really the wish of their Great Father that they should remove. His bribes and eloquence induced the Winnebagoes to refuse to proceed, although there was a company of volunteer dragoons and infantry with them. This delay occasioning much expense and trouble, the government agents applied for assistance to the command at Fort Snelling. There was but one company there, and the commanding officer, with twenty men and some friendly Sioux, went down to assist the agent. There was an Indian council held on the occasion. The Sioux who went from Fort Snelling promised to speak in favor of the removal. During the council, however, not one of them said a word for which they afterwards gave a satisfactory reason. Wabashaw, though a young man, had such influence over his band that his orders invariably received implicit obedience. When the council commenced, Wabashaw had placed a young warrior behind each of the friendly Sioux who he knew would speak in favor of the removal, with orders to shoot down the first one who rose for that purpose. This stratagem may be considered a characteristic specimen of the temper and habits of the Sioux chiefs, whose tribe we bring before the reader in their most conspicuous ceremonies and habits. The Winnebagoes were finally removed, but not until

Wabashaw was taken prisoner and carried to Fort Snelling Wabashaw's pike bearer was a fine looking warrior named Many Lightnings The village of Little Crow another able and influential Sioux chief is situated twenty miles below the Falls of St Anthony He has four wives all sisters and the youngest of them almost a child There are other villages of the tribe below and above Fort Snelling *Forum for Applied Research and Public Policy*, 1992 [Archaeological Perspectives on the Battle of the Little Bighorn](#) Melissa A.
