Wild Cowboys Urban Marauders And The Forces Of Order:

Wild Cowboys Robert Jackall, 2005-10-31 Jackall tells how New York detectives pieced together a case of drug trafficking money laundering and murder centered on a vicious Dominican gang known as the Wild Cowboys Jackall's New York is a society with irreconcilable differences fraught with self doubt and moral ambivalence where institutional logics often lead to perverse outcomes

Cultures and Societies in a Changing World Wendy Griswold, 2012-01-10 In the Fourth Edition of *Cultures and Societies in a Changing World* author Wendy Griswold illuminates how culture shapes our social world and how society shapes culture She helps students gain an understanding of the sociology of culture and explore stories beliefs media ideas art religious practices fashions and rituals from a sociological perspective Cultural examples from multiple countries and time periods will broaden students global understanding They will develop a deeper appreciation of culture and society glean insights that will help them overcome cultural misunderstandings conflicts and ignorance equip them to be more effective in their professional and personal lives and become wise citizens of the world

The World in Brooklyn Judith N. DeSena, Timothy Shortell, 2012-01-01 *The World in Brooklyn* Gentrification Immigration and Ethnic Politics in a Global City is a collection of scholarly papers which analyze demographic social political and economic trends that are occurring in Brooklyn Brooklyn as the context reflects global forces while also contributing to them The idea for this volume developed as the editors discovered a group of scholars from different disciplines and various universities studying Brooklyn Brooklyn has always been legendary and has more recently regained its stature as a much sought after place to live work and have fun Popular folklore has it that most U S residents trace their family origins to Brooklyn It is presently referred to as one of the hippest places in New York Thus this book is a collection of demographic ethnographic and comparative studies which focus on urban dynamics in Brooklyn The chapters investigate issues of social class urban development immigration race ethnicity and politics within the context of Brooklyn As a whole this book considers both theoretical and practical urban issues In most cases the scholarly perspective is on everyday life With this in mind there are also social justice concerns Issues of social segregation and attendant homogenization are brought to light Moreover social class and race advantages or disadvantages as part of urban processes are underscored through critiques of local policy decisions throughout the chapters A common thread is the assertion by contributors that planning the future of Brooklyn needs to include multi ethnic racial and economic groups those very residents who make up Brooklyn

Wild Cowboys Robert Jackall, 1997-09-21 Jackall tells how New York detectives pieced together a case of drug trafficking money laundering and murder centered on a vicious Dominican gang known as the Wild Cowboys Jackall's New York is a society with irreconcilable differences fraught with self doubt and moral ambivalence where institutional logics often lead to perverse outcomes

The Routledge Handbook of Qualitative Criminology Heith Copes, J. Mitchell Miller, 2015-03-02 Despite illustrious origins dating to the 1920s qualitative crime research has long been overshadowed by quantitative inquiry After

decades of limited use there has been a notable resurgence in crime ethnography naturalistic inquiry and related forms of fieldwork addressing crime and related social control efforts The Routledge Handbook of Qualitative Criminology signals this momentum as the first major reference work dedicated to crime ethnography and related fieldwork orientations Synthesizing the foremost topics and issues in qualitative criminology into a single definitive work the Handbook provides a first look reference source for scholars and students alike The collection features twenty original chapters on leading qualitative crime research strategies the complexities of collecting and analyzing qualitative data and the ethical propriety of researching active criminals and incarcerated offenders Contributions from both established luminaries and talented emerging scholars highlight the traditions and emerging trends in qualitative criminology through authoritative overviews and lived experience examples Comprehensive and current The Routledge Handbook of Qualitative Criminology promises to be a sound reference source for academics students and practitioners as ethnography and fieldwork realize continued growth throughout the 21st Century

The End of Reciprocity Mark Osiel, 2009-03-09 Why should America restrain itself in detaining interrogating and targeting terrorists when they show it no similar forbearance Is it fair to expect one side to fight by more stringent rules than the other placing itself at disadvantage Is the disadvantaged side then permitted to use the tactics and strategies of its opponent If so then America's most controversial counterterrorism practices are justified as commensurate responses to indiscriminate terror Yet different ethical standards prove entirely fitting the author finds in a conflict between a network of suicidal terrorists seeking mass atrocity at any cost and a constitutional democracy committed to respecting human dignity and the rule of law The most important reciprocity involves neither uniform application of fair rules nor their enforcement by a simple minded tit for tat Real reciprocity instead entails contributing to an emergent global contract that encompasses the law of war and from which all peoples may mutually benefit

Seven Shots Jennifer C. Hunt, 2010-09-15 On July 31 1997 a six man Emergency Service team from the NYPD raided a terrorist cell in Brooklyn and narrowly prevented a suicide bombing of the New York subway that would have cost hundreds possibly thousands of lives Seven Shots tells the dramatic story of that raid the painstaking police work involved and its paradoxical aftermath which drew the officers into a conflict with other rank and file police and publicity hungry top brass Jennifer C Hunt draws on her personal knowledge of the NYPD and a network of police contacts extending from cop to four star chief to trace the experience of three officers on the Emergency Service entry team and the two bomb squad detectives who dismantled the live device She follows their lives for five years from that near fatal day in 1997 through their encounters inside the brutal world of departmental politics and on to 9 11 when they once again put their lives at risk in the fight against terrorism racing inside the burning towers and sorting through the ash debris and body parts Throughout this fast paced narrative Hunt maintains a strikingly fine grained street level view allowing us to understand the cops on their own terms and often in their own words The result is a compelling insider's picture of the human beings who work in two elite units in the NYPD and the moral and physical danger and

courage involved As gripping as an Ed McBain novel and just as steeped in New York cop culture and personalities *Seven Shots* takes readers on an unforgettable journey behind the shield and into the hearts of New York City police The Social Contract ,1998 The Socialist Register ,2006 Reports of cases decided in the Appellate Division of the Supreme Court of the state of New York ,2001 *Reports of Cases Decided in the Appellate Division of the Supreme Court, State of New York* New York (State).
