Will Our Generation Speak:

Will Our Generation Speak? Grace Mally, 2012 *Will Our Generation Speak* is filled with dialog recounting witnessing conversations and giving practical ideas for beginning conversations with unbelievers about the Lord. It teaches how to ask good questions and answer objections while illustrating points with humorous cartoons and stories. Written from a young perspective, this book gives other young people a vision of how much the Lord can use them in the years of their youth. It communicates how exciting it is to be working alongside the God of the Universe in the mission of saving souls and it gives young people courage from the Word to combat fear and reject excuses. *Will Our Generation Speak* is a wonderful practical and very timely publication. Never before in history has the Church so needed to speak up and to speak clearly. This book does that and it tells you how to do it with practical examples and inspiring heart warming personal experiences. It's fuel for your fire. Ray Comfort, Founder of Living Waters, cohost of *Way of the Master*. Witnessing often makes people nervous but it's important that we share our faith. Grace Mally shares practical tools that work. The Duggar Family, TLC's *19 Kids and Counting*. Grace Mally shows how to break the ice and introduce people to the good news of the Gospel. Jeff Myers, Ph.D., President Summit Ministries.

Will Our Generation Speak? Grace Mally, 2015 *Me and My Son Book Two* Stephen Hart, 2023-08-24 No About the Book information at this time *Speaking and Being* Kübra Gümüşay, 2022-05-05 A SPECTATOR BOOK OF THE YEAR I can't stop talking about this book. Jamie Klingler, co-founder ReclaimTheseStreets. What a gem. Makes you look at the world and yourself afresh. Minna Salami, author of *Sensuous Knowledge: A Black Feminist Approach for Everyone*. A generous combination of passion and practicality that is not easily resisted. A rare book that might actually change our minds. Daniel Hahn, OBE. A book at once vigorous and generous, pleasurable and galvanising. Sophie Hughes, International Booker Prize shortlisted translator. What does it really mean to speak freely? A wise, beautifully written book that explores the way language shapes our lives and how we see the world and what happens when we learn new words and new ways of speaking to each other. Language opens up our world and in the same instant limits it. What does it mean to exist in a language that was never meant for you to speak? Why are we missing certain words? How can we talk about our communal problems without fuelling them? What does it actually mean to speak freely? As a writer and activist fighting for equality, Kübra Gümüşay has been thinking about these questions for many years. In this book, she explores how language shapes our thinking and determines our politics. She shows how people become invisible as individuals when they are always seen as part of a group and the way those in the minority often have to expend energy cleaning up the messy thinking of others. But she also points to how we might shape conversations to allow for greater ambiguity and individuality, how arguments might happen in a space of learning and vulnerability without sacrificing principles, how we might all be able to speak freely.
