By J. Newton and William Cowper. A New Edition.** John NEWTON (Rector of St. Mary Woolnoth.), 1812 *William Cowper - Olney Hymns* WILLIAM COWPER., 2019-02-18 William Cowper was born 26th November 1731 in Berkhamsted Hertfordshire Traumatized he and his brother John were the only survivors out of seven to survive infancy His mother died when he was six His education after

several temporary schools was stabilised at Westminster school Here he established several life long friendships and a dedication to Latin Upon leaving he was articled to a solicitor in London and spent almost a decade training in Law In 1763 he was offered a Clerkship of Journals in the House of Lords With the examinations approaching Cowper had a mental breakdown He tried to commit suicide three times and a period of depression and insanity seemed to settle on him The end of this unhappy period saw him find refuge in fervent evangelical Christianity and it was also the inspiration behind his much loved hymns This led to a collaboration with John Newton in writing Olney Hymns However dark forces were about to overwhelm Cowper In 1773 he experienced a devastating attack of insanity believing that he was eternally condemned to hell and that God was instructing him to make a sacrifice of his own life With great care and devotion his friend Mary Unwin nursed him back to health In 1781 Cowper had the good fortune to meet a widow Lady Austen who inspired a new bout of poetry writing Cowper himself tells of the genesis of what some have considered his most substantial work The Task In 1786 he began his translations from the Greek into blank verse of Homer s The Iliad and The Odyssey These translations published in 1791 were the most significant since those of Alexander Pope earlier in the century Mary Unwin died in 1796 plunging Cowper into a gloom from which he never fully recovered though he did continue to write William Cowper was seized with dropsy and died on 25th April 1800

Olney Hymns John Newton,William Cowper,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Olney Hymns: in Three Books. I. on Select Texts of Scripture William Cowper,James Montgomery,2016-07-22 The Olney Hymns were first published in February 1779 and are the combined work of curate John Newton 1725 1807 and his poet friend William Cowper 1731 1800 The hymns were written for use in Newton s rural parish which was made up of relatively poor and uneducated followers The Olney Hymns are an illustration of the potent ideologies of the Evangelical movement to which both men belonged present in many communities in England at the time The Olney Hymns were very popular by 1836 there had been 37 recorded editions and it is likely that many other editions were printed in both Britain

and America As hymn singing gained popularity in the nineteenth century many around 25 of the hymns were reproduced in other hymn books and pamphlets Today around six of the original 348 Olney Hymns regularly feature in modern church worship the most famous of which is Amazing Grace The Buckinghamshire town from which the hymns get their name Olney was at the time of first publication a market town of about 2 000 people Around 1 200 of these were employed in its lace making industry This was generally poorly paid and Cowper is said to have described his neighbours as the half starved and ragged of the earth The Olney Hymns were written primarily with these poor and under educated people in mind Olney is situated near the borders of Buckinghamshire Bedfordshire and Northamptonshire an area traditionally associated with religious Dissent Dissenters were Protestants who refused to follow the rules of the Church of England after the Restoration of Charles II in 1660 and when Newton settled in Olney the town still supported two Dissenting chapels Notable local Dissenters included John Bunyan from Bedford author of the Pilgrim s Progress and another important hymn writer Philip Doddridge 1702 51 from Northampton Newton s own associations with Dissenters his mother was one meant he was in a position to conciliate with rather than confront his parishioners and he quickly achieved a reputation as a popular preacher Within his first year at Olney a gallery was added to the church to increase its congregational capacity and the weekly prayer meetings were moved in 1769 to Lord Dartmouth s mansion the Great House to accommodate even greater numbers Jesus where er thy people meet was written for their first meeting at the Great House

The Olney Hymns. By John Newton and William Cowper. New Edition. With an Introductory Essay by James Montgomery. John NEWTON (Rector of St. Mary Woolnoth.),1873
