The above provision is contained in the contracts and agreements with the suppliers and the carriers. The above mentioned provision, and further documents of the ERM/ATA and the respective carriers and the ERM/ATA, will be made immediately available for inspection, should it be requested by the relevant authorities in the event of an investigation.

Small businesses and family enterprises comprise a third of the U.S. economy, and are a vital part of the country's economic future. Small business owners and family business leaders are responsible for creating jobs, generating income, and providing products and services that meet the needs of their customers. They are also responsible for the well-being of their employees, families, and communities. This book provides a comprehensive guide to the challenges and opportunities of small business and family enterprise ownership. It covers topics such as business planning, financing, marketing, and legal issues. It also offers practical advice on how to manage a business successfully and how to build a strong family legacy. This book is a valuable resource for anyone who is interested in starting or growing a small business or family enterprise.

From the same article describing illiteracy, we found examples where illiteracy still was a leading cause for poverty, even in the 1990s.
