When Love Is A Lie Narcissistic Partners The Pathological Relationship Agenda:

When Love Is a Lie--Narcissistic Partners & the (Pathological) Relationship Agenda, 2013 Developing a codependency to a partner who has a narcissistic or psychopathic personality will cause nothing but turmoil in our lives We stay in the relationship thinking that we can fix this person and love them out of their bad behavior but the truth is that narcissists just like sociopaths and psychopaths can never be fixed not with love therapy or any magic pill Our codependency and suffering fulfills the narcissist's pathological relationship agenda and makes them feel alive Do the behaviors of your partner continually cause you to feel suspicious or uncomfortable Are you being subjected to silent treatments and other forms of maddening passive aggressive punishments Do you find yourself walking on eggshells trying to avoid a hurtful silent treatment or narcissistic confrontation Does it appear that your partner creates chaos even during good times just to keep you feeling anxious and insecure Are you making yourself crazy trying to figure it all out Answer yes to one or all of the above and it's likely you're involved with someone who has a narcissistic personality disorder When Love Is a Lie is an informational anecdote that helps you to recognize the narcissistic abuse understand your codependency to the chaos and then get on the right path to mentally breaking free from the nonsense Breaking free mentally is the key to breaking free altogether from someone with a narcissistic or psychopathic tendencies and Ms Ballard provides a way to begin this process She offers a logical perspective that comes complete with reasons for leaving that you simply can't argue against It is a doable solution that will get you on the right path to becoming narcissist free Understand how and why a partner with a narcissistic or psychopathic personality will never be able to attain or even pretend to have the very special and love worthy human qualities the undeniable truths that are essential to life itself Use these truths as a foolproof way to begin mentally breaking free from a narcissist will over time deliberately and methodically manage down our relationship expectations so that we expect less and less and he gets away with more will use the Silent Treatment and similar demoralizing methods of control to punish those who dare to call them out on questionable behaviors will create constant chaos and turmoil even and especially during the good times as a tactic of keeping you in a heightened state of co dependent anxiety will juggle many many relationships at once often for years on end with no one being the wiser not even you lies even when the truth is a better story When Love is a Lie provides confirmation and validation that indeed you are neither alone nor crazy This little book may just have the magic answer the perspective you've been looking for the reality check you need to leave the abusive lover and find your way back to the sane world When Love Is a Lie Zari Ballard, 2013-07-04 When our partner is a narcissist only those who've actually experienced the madness will ever understand what we're going through This is a straight up tell all book about narcissism in relationships that focuses solely on the personal experience A narrative that holds nothing back Zari Ballard's story will educate enlighten and empower you to evaluate and fully understand the mind boggling dysfunction in your own relationship Compare her story to your own and watch what happens As it has for thousands of abuse victims

take accountability for nothing Are you subjected to silent treatments sudden disappearances and cold shoulders for no reason at all and will she use the power of the pussy to manipulate you into taking her back Answer yes to any of the above and it s likely your woman has a narcissistic personality disorder and that chaos and confusion has become the norm in your life It s also likely that you ve been unable to find support since much of the information available about narcissism focuses on the male narcissist female sufferer dynamic as if the reverse never happens Moreover this lack of support is exacerbated by the fact that we live in a society that doesn t provide a whole lot of sympathy for male victims of anything and the female narcissist knows this all too well Lacking a moral compass a narcissist will stay in multiple relationships diligently working to keep partners unsure or unaware of the existence of the others for as long as she can and even after her crime has been discovered The fact that she causes pain to others is the fuel to her fire Narcissists live their lives via the proxy of their partner s suffering and via the rules and requirements of the narcissist s relationship agenda When Evil Is a Pretty Face 2015 This book will tell you what you need to know about what is happening to you It will explain why the female narcissists does what she does says what she says and how her twisted mind thinks relative to her pathological agenda The truth is that the female narcissist has her male counterparts beat hands down in the evil department and because she s a female she is allowed to live her life in a way that is above reproach But there is one thing that all narcissists have in common and that is that they can never be fixed not with love therapy or with any magic pill No Contact is the only way to escape the relationship alive and this book will show you the way
