Sharing the Journey: Literature for Young Children David Yellin, 2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, *Sharing the Journey* contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction.

The Giant Encyclopedia of Learning Center Activities Kathy Charner, Maureen Murphy, Jennifer Ford, 2005 This book contains hundreds of accessible teacher-written learning center activities. *The GIANT Encyclopedia of Learning Center Activities* is the eighth book in Gryphon House's *GIANT Encyclopedia* series. The learning centers in this book can either be permanent year-long centers or set up and removed according to the season or children's interests and needs. Through play, young children learn to communicate, interact, and expand their cognitive thinking horizons. *The GIANT Encyclopedia of Learning Center Activities* provides the resources to make play meaningful and educational for young children. This book offers over 600 activities and 47 learning centers, including familiar permanent centers such as Art or Blocks and new and exciting centers such as Farm Space, Safari, Shoe Store, and Ice Cream Shop. Opportunities in each center for children to work at their own developmental level. Materials lists for each activity, step-by-step instructions, and related books, songs, and poems. Fresh new ideas from teachers who have used these activities in their own classrooms.

A to Zoo Carolyn W. Lima, John A. Lima, 2006 Presents a guide to nearly 27,000 children's picture book titles grouped in over 1,200 subjects and indexed by author, title, and illustrator.
