Wild Flowers A Novel:

The Wild Flower Book Alice Lounsberry, 2015-08-06 Excerpt from The Wild Flower Book For Young People The little girl who tells this story goes from the city to live in the country with her grandmother There through the spring summer and the cool crisp autumn she roams through woods meadows and swamps and sees many things that pique her curiosity Most often it is the wild flowers she wishes to know about although she notices the birds the trees and even a bullfrog She sees that the sky changes and wonders why the dewdrops cling so long to blades of grass In her own way this little girl writes about these things using neither botanical terms nor difficult words The flowers she finds are the ones common throughout the northeastern States of her country where hundreds of them bloom every year near large cities Now however the rarer flowers are moving to places far away from men s dwellings because they have been picked so much by those who think little of their preservation She learns that wild flowers have tender feelings and that they resent cruel treatment even though they cannot complain in the language of children About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Wildflowers: A Novel Lyah Beth LeFlore, Shirley Bradley LeFlore, Chloe Davis Michael Hollywood publicist and newlywed returns to her midwestern hometown seeking refuge and protection for her unborn child from her husband The Book of Wild Flowers for Young People Ferdinand Schuyler Mathews, 1923 **Observer's Book of Wild Flowers** W.J.
