

A hand-drawn illustration of a robot standing on a rock. The robot is made of dark, textured material, possibly wood or stone, with a square head, two white circular eyes, and a rectangular body. It has two long, thin legs. The robot is standing on a grey, irregularly shaped rock. In the background, there is a large, bright yellow sun with several curved lines around it, suggesting a bright, sunny day. The sky is a mix of light blue and white, with some darker blue areas. There are a few small purple flowers on the rock and a pink flower in the bottom right corner. The overall style is simple and artistic, with a focus on bold colors and clear shapes.
