*William Faulkner's Sanctuary. Horace Benbow and his fight against evil* Britta Schürmann, 2014-04-14 Seminar paper from the year 2012 in the subject English Language and Literature Studies Literature grade 1.7 Johannes Gutenberg University Mainz language English abstract In *Sanctuary* Horace Benbow desperately tries to help others and himself out of unjust situations but tragically fails in the end with Temple Drake having changed her mind and testifying not against her rapist Popeye but against the innocent Goodwin who is then convicted and lynched Throughout the novel Horace clings to fair justice and tries to fight any evil he comes across But as he does not even accept it to be a part of the world of humanity itself he is doomed to lose this fight An analysis of Horace's character regarding his ideals his relationships and views on himself others the world is going to explain this statement

*The Sexual Revolution in Modern American Literature* I. Glicksberg, 2012-12-06 1 The Dialectic of the Sex Motif in Literature Sex is a function of culture in literature today it plays only a small though aggressively righteous part Nature long held in bondage periodically breaks out in revolt but its victory is never complete In every society primitive as well as modern the sexual instinct is for good or evil always subject to some measure of regulation and restraint In literature where the battle between love and sex spirit and flesh is fought out in terms of symbolic action the writers support their cause for or against sexual freedom with varying degrees of evangelical ardor and outspokenness On this issue there is no unanimity for the simple reason that American culture is not unified in its beliefs concerning the nature of man The central conflict between instinctual needs and the claims of the ideal between physical desire and the inner check between Dionysus and Christ goes on all the time Sublimation is the cultural process whereby sexual energy is deflected from its biological source and diverted into spiritually higher and socially more useful channels But sublimation is for most men hard to achieve As civilization grows more complex the individual is exposed to a series of increasingly severe moral strains Pitted against Nature while subject to its laws he must henceforth be governed in his behavior by inner as well as outer controls

**William Faulkner** Cleanth Brooks, 1989-12-01 Hailed by critics and scholars as the most valuable study of Faulkner's fiction Cleanth Brooks's *William Faulkner: The Yoknapatawpha Country* explores the Mississippi writer's fictional county and the commanding role it played in so much of his work Brooks shows that Faulkner's strong attachment to his region with its rich particularity and deep sense of community gave him a special vantage point from which to view the modern world Books's consideration of such novels as *Light in August* *The Unvanquished* *As I Lay Dying* and *Intruder in the Dust* shows the ways in which Faulkner used Yoknapatawpha County to examine the characteristic themes of the twentieth century Contending that a complete understanding of Faulkner's writing cannot be had without a thorough grasp of fictional detail Brooks gives careful attention to what happens in the Yoknapatawpha novels He also includes useful genealogies of Faulkner's fictional
