Windows to Heaven Elizabeth Zelensky, Lela Gilbert, 2005-02 In this useful guidebook the authors debunk common misconceptions about Orthodox icons and explain how they might enrich the devotional lives of non Orthodox Christians

Theology as Retrieval W. David Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas Scripture theology worship spirituality mission and culture where contemporary Christians are retrieving aspects of our Christian past for life and thought today The result is a fascinating tour and wise reflection on how Christians might receive employ and transmit the treasures of their past

Just Begin Dann E. Wigner, 2018-10-17 Spiritual practices for beginners and practitioners all in one volume Just Begin is an indispensable reference tool for the interested spiritual practitioner who wants to add new methods and exercises to their mystical toolbox In simple terms basic steps and encouraging language Dr Wigner introduces readers to more than 40 different practices from Eastern and Western traditions encompassing everything from mindfulness to music yoga to the Lord's Prayer In each short description the focus is to just begin to practice and experiment grow and develop spiritually on the way No one can take a journey without taking the first step and Dr Wigner provides the first steps for multiple practices in various religious traditions These spiritual exercises will help spur people of faith to deeper self awareness holistic living and prayer The book's sections are organized around types of practices Meditating Listening Being Sensing and Embodying with a final section Doing Each chapter forms a short three to five page introduction to a mystical practice consisting of segments on definition background how to practice resources for further study journal prompts and discussion questions and common problems that sometimes get in the way of one's practice

Historical Foundations of Worship (Worship Foundations) Melanie C. Ross, Mark A. Lamport, 2022-04-12 This volume brings together an ecumenical team of scholars to offer a historical overview of how worship developed The book first orients readers to the common core elements the global church shares in the history and development of worship theology and historical practice It then introduces the major streams of worship practice Catholic Orthodox and Protestant including Reformation traditions evangelicalism and Pentecostalism The book includes introductions by John Witvliet and Nicholas Wolterstorff A previous volume addressed the theological foundations of worship

Holocaust Icons Oren Baruch Stier, 2015-11 Oren Baruch Stier traces the lives and afterlives of certain remnants of the Holocaust and their ongoing impact He shows how and why four icons an object a phrase a person and a number have come to stand in for the Holocaust where they came from and how they have been used and reproduced how they are presently at risk from a variety of threats such as commodification and what the future holds for the memory of the Shoah

Moving beyond Theoria toward Theosis Justin A. Davis, 2024-06-10 Moving Beyond Theoria Towards Theosis focuses on the telos of man as understood in Plato's theoria envisioned in the allegory of the cave and early Christian reinterpretation of theoria as theosis In his famed allegory of the cave Plato maintains that real life exists beyond our base perceptions of reality and is found in the realm of ideas

Theoria is eternal rest in this realm and is understood as the telos of mankind Plato's theoria underwent change as it was reinterpreted under middle Platonic and neo Platonic thought These systems incorporated a more mature idea of the divine than Plato but still minimized the material world This book explores how early Christianity inherited Plato's cosmology and terminology Theoria was also reinterpreted within the Christian context Eventually the term was abandoned for theosis Theosis is beyond theoria as it includes contemplation of the forms as well as union with the source of the forms and the affirmation of the material realm In this volume Justin A Davis shows how the Orthodox use of icons can be key to understanding theosis The icon is a material object that connects to a higher reality and ultimately toward union with the divine Plato's cosmology is collapsed and transfigured in union with the uncreated energy of God Icons are the depiction of spiritual ascesis and the new telos of man theosis

The Sense of the Call Marva J. Dawn, 2006-02-21 In Keeping the Sabbath Wholly Dawn introduced the vital Sabbath aspects of resting ceasing feasting and embracing Now she expands these into a way of life for serving God and the Kingdom every single day of the week Practical Life

Selfies Craig Detweiler, 2018-04-03 Selfies are ubiquitous They can be silly or serious casual or curated Within moments smart phone users can capture their image and post it across multiple social media platforms to a global audience But do we truly understand the power of image in our image saturated age How can we seek God and care for each other in digital spaces Craig Detweiler a nationally known writer and speaker and an avid social media user examines the selfie phenomenon placing selfies within the long history of self portraits in art literature and photography He shows how self portraits change our perspective of ourselves and each other in family dynamics education and discipleship Challenging us to push past unhealthy obsessions with beauty wealth and fame Detweiler helps us to develop a thoughtful biblical perspective on selfies and social media and to put ourselves in proper relation to God and each other He also explains the implications of social media for an emerging generation making this book a useful conversation starter in homes churches and classrooms Each chapter ends with discussion questions and a photo assignment for creating a selfie in response to the chapter

The Poor in Liberation Theology Tim Noble, 2014-10-14 Liberation theology has since its beginnings over forty years ago placed the poor at the heart of theology and revealed the ideologies underlying both society and church Meanwhile over this period the progressive church appears to have stagnated and the poor of Latin America have turned increasingly to neo Pentecostalism The Poor in Liberation Theology questions whether the effect of liberation theology is to provide a pathway to God or really to construct idols out of the poor Combining the conceptual language of the philosophers Jean Luc Marion and Emmanuel Levinas with the methodology of the liberation theologian Clodovis Boff the volume outlines how liberation theology can work to ensure the poor do not become an ideological construct but remain icons of God Drawing on a wealth of material from Latin American and Europe the book demonstrates the continuing validity and importance of liberation theology and its further potential when engaged with contemporary philosophy

The Oxford Handbook of Systematic Theology John Webster, Kathryn Tanner, Iain Torrance, 2009-09-10 The Oxford Handbook of Systematic Theology brings together a set of original and authoritative accounts of all the major areas of current research in Christian systematic theology offering a thorough survey of the state of the discipline and of its prospects for those undertaking research and teaching in the field The Handbook engages in a comprehensive examination of themes and approaches guiding the reader through current debates and literatures in the context of the historical development of systematic theological reflection Organized thematically it treats in detail the full array of topics in systematic theology as well as questions of its sources and norms its relation to other theological and non theological fields of enquiry and some major trends in current work Each chapter provides an analysis of research and debate on its topic The focus is on doctrinal rather than historical questions and on major rather than ephemeral debates The aim is to stimulate readers to reach theological judgements on the basis of consideration of the range of opinion Drawn from Europe the UK and North America the authors are all leading practitioners

of the discipline Readers will find expert guidance as well as creative suggestions about the future direction of the study of Christian doctrine

Garden of the Soul Mark Mah, 2014-03-13 The stories of Jesus placed in the context of the familiar and factual are filled with metaphors that audiences can understand and appreciate Metaphors not only inform and persuade but also fire up readers imaginations and get them involved as participants Humans are primed to think and feel metaphorically and so Garden of the Soul aims to metaphorically explore five landscapes that feature prominently in the Bible Each metaphorical landscape throws light on an aspect of spiritual life The bountiful garden speaks of growth the flowing river calls for unceasing prayer the raging sea mirrors the turbulence of a journey of faith the barren desert transforms by emptying life s clutter and the high mountain challenges readers to scale its peak to glimpse a transcendent vision of God This book will inform enrich and challenge readers spiritual lives throughout their journey from garden to mountain

Before We Disappear into Oblivion Nina Bogdan, 2025-06-06 The October 1917 Russian Revolution and the subsequent Civil War triggered a mass exodus from Russia Thousands boarded ships heading for California Before We Disappear into Oblivion chronicles the struggles of members of the Russian diaspora in San Francisco and northern California as they built communities and negotiated their acculturation into American society Nina Bogdan challenges the stereotype of the White Russian migr as an aristocrat in exile revealing the diversity within California s Russian communities in terms of social backgrounds political affiliations and geographic origins Bogdan details the historic Russian presence in northern California particularly Fort Ross and examines how migr s incorporated this presence into their strategies and tactics used to establish a foundation for community while developing their Russian American identity Consulting Russian language sources generated by the diaspora alongside American public discourse and thousands of government documents Bogdan traces the divergent paths Russian migr s took to become or not become middle class white Americans a century prior to the latest mass exodus of Russians from their homeland in 2022 Set against a backdrop of national and global events the Great Depression World War II McCarthyism and the Cold War Before We Disappear into Oblivion explores the factors that shaped the Americanization of one ethnic group in an environment where cultural affiliation became submerged in favour of a constructed racial identity

For the Sake of the Common Good Kate Merriman, Bertha Yetman, 2022-04-20 Born in Winnipeg in 1927 Lois Wilson was the first female moderator of the United Church of Canada the first female president of the Canadian Council of Churches and the first woman and first Canadian president of the North American region of the World Council of Churches A respected human rights defender and activist for peace and social justice around the world she was appointed by successive Canadian governments to head missions in Korea El Salvador Guatemala and Sudan among others over her long and distinguished career For the Sake of the Common Good is a tribute to the life and work of this remarkable Canadian It brings together contributions from internationally recognized figures such as Louise Arbour Lloyd Axworthy and Irwin Cotler national leaders such as Bill Blaikie Alia Hogben Mary Jo Leddy Stan McKay and Michael Blair

and local heroes such as Alexa Gilmour and Brent Hawkes who have been influenced by Lois Wilson's practical Christianity progressive values and commitment to ending oppression in all forms Their essays urge us to think about the many ways we can work toward the common good by welcoming refugees developing ecologically sustainable ways of life repairing relations with Indigenous Peoples protecting the rights of LGBTQ people and all who are oppressed defending political prisoners and respecting religious rights and the place of faith in public life In such ways we can restore right relations with the Earth and with each other For the Sake of the Common Good gratefully acknowledges Lois Wilson's inspiring legacy while taking on the important task of continuing her work Lacanian Psychoanalysis and Eastern Orthodox Christian Anthropology in Dialogue

Carl Waitz, Theresa Tisdale, 2021-10-26 This book vigorously engages Lacan with a spiritual tradition that has yet to be thoroughly addressed within psychoanalytic literature the Eastern Orthodox Christian tradition The book offers a unique engagement with a faith system that highlights and extends analytic thinking For those in formation within the Orthodox tradition this book brings psychoanalytic insights to bear on matters of faith that may at times seem opaque or difficult to understand Ultimately the authors seek to elicit in the reader the reflective and contemplative posture of Orthodoxy as well as the listening ear of analysis while considering the human subject This work is relevant and important for those training in psychoanalysis and Orthodox theology or ministry as well as for those interested in the intersection between psychoanalysis and religion What Is Christianity? Gail Ramshaw, 2013-10-11 Gail Ramshaw frames this new introduction to Christianity around the basic questions that students ask Investigating Christianity as a lived experience she opens each chapter with a voice from the field of religious studies and then presents answers to each chapter's question by surveying the history doctrine practices and convictions of Christian churches Written for undergraduates with little or no background in the breadth of Christianity the text of the book reports on the diversity of Christian belief and practice and is accompanied with student friendly learning helps
