The Golden Age of Charli Jena C. Henry, 2016-01-26 When Charli and her husband Pud enter retirement Charli mistakenly believes that paradise is just around the corner Unfortunately instead of spending their days soaking in matching hot tubs and admiring each others wrinkles Pud lives on the links and Charli cleans out the basement Still they press on eventually becoming closer while bonding with young relatives through a love of fine dining Now the couple faces new and weighty challenges Charli and Puds days are filled with more excitement than AARP discounts and Lawrence Welk reruns and more calories than they ever imagined Realizing they are out of shape and slipping mentally Charli and Pud check their BMIs and immediately decide they need to change their ways With a goal of becoming healthy sooner than later the couple embarks on a roller coaster ride through calorie counting label reading and laborious exercising But when Pud begins making mysterious phone calls and acting strangely Charli cannot help but wonder if more problems are lurking around the corner *The Golden Age of Charli* continues the delightful tale of the energetic friendly and positive McAntics as they cruise through their retirement years and discover the consequences of too much of a good thing *The Girls' Book of Priesthood* Louise Rowland, 2018-03-14 The Vicar of Dibley meets Rev a witty and gifted new talent July 2016 Bright sparky and raring to go Margot Goodwin arrives as the new curate at St Marks Highbury She is one part exhilarated ten parts terrified *The Sell* Fredrik Eklund, Bruce Littlefield, 2016-04-05 The nation's 1 real estate broker and charismatic costar of Bravo's Million Dollar Listing New York shares his secrets on how to be successful In the ten years since moving from Sweden to New York City with no experience in real estate and no contacts Fredrik Eklund has transformed himself into the best seller in the most competitive real estate market on the planet In *The Sell* Eklund leverages his years of experience to create the go to manual for self promotion and sales At the core of the book are chapters tied to Eklund's 10 step program for selling anything to everyone and he shares his secrets on everything from personal authenticity and looking your very best to crafting the perfect sales pitch negotiating with savvy and closing deals promptly and efficiently lest they slip away Whether you're just starting a job as a sales rep at Verizon navigating your career as an executive or entrepreneur or hitting your stride closing big transactions as a banker at Goldman Sachs *The Sell* will show you how to improve your game and radically increase the money you're bringing home *The Sell* is a vital resource for anyone who wants to have an impact in his or her personal and professional life with a razor sharp focus on selling selling yourself or your brand no matter your background *Under Italian Skies* Nicky Pellegrino, 2016-04-07 Stella has life under control and that's the way she likes it For twenty five years she's been trusted assistant to a legendary fashion designer but after her boss dies suddenly she's left with nothing to do apart from clear the studio It seems as though the life she wanted has vanished She is lost until one day she finds a house swap website and sees a beautiful old villa in a southern Italian village Could she really exchange her poky London flat for that But what was just intended as a break becomes much more as Stella finds herself trying on a stranger's life As the villa

begins to get under her skin she can't help but imagine the owner from the clues around her. She meets his friends, cooks the local food he recommends and follows suggestions to go to his favourite places. But can an idea of someone ever match up the reality? As Stella wonders if she can let go of the safety of her past, perhaps there's a chance for her to find a way into her future. Readers are loving Nicky Pellegrino. I could smell the fresh pasta, feel the sunshine, smell the sea breeze and feel my worries wash away. It was lovely to stumble down the cobbled paths and stroll along the beautiful scenery through Italy, through food, through heartbreak, through love, through family. Add in a pinch of karmic justice and you have the perfect read with a joyful ending. Once again Nicky Pellegrino had me captivated with this amazing story. It made me laugh, made me cry. I read it in one afternoon. I will say that if you are a woman on the cusp of discovering who you are and what your heart desires, then you will devour this book as I did. Such a great escapism read full of emotions and family drama with love. *The Pie Life: A Guilt-Free Recipe For Success and Satisfaction* Samantha Ettus, 2016-09-27 *Wong's Essentials of Pediatric Nursing - E-Book* Marilyn J.
