Training The Young Horse Training The Young Horse:

Basic Training of the Young Horse Ingrid Klimke, Reiner Klimke, 2019-10-21 Over thirty years after the first publication of Reiner Klimke's classic work comes this new fourth edition with completely new photos and updated by his daughter Ingrid. Based on sound practical and theoretical advice, this instructional handbook gives advice on establishing a specific training plan for recreational riders as well as competition riders to enable them to train their young horses successfully. Every aspect of the education of a young horse is covered, including basic education and handling from foalhood, lunging and free schooling, backing and training under saddle, developing impulsion from suppleness, assessing and improving basic gaits, cavalletti work, jumping training, cross-country training, and finally preparing for the first competition.

The Formative Years Cherry Hill, 1988 **Basic Training of the Young Horse** Reiner Klimke, 2000 Finally a revitalized version of the well-known classic by one of the world's most successful riders, Reiner Klimke, winner of six Olympic gold medals, covers the early education of the foal, lunging and freework, progressive training under saddle, and eventually preparation for competition. Now furnished with new color photos and helpful tips from his daughter Ingrid, an international event rider, Klimke's book is poised to continue on as the modern standard on horse training. In order to excel in any branch, we must have method and a combination of theory and practice. It has been the author's duty as an instructor at the Cavalry School to study the subject thoroughly and in placing his experience and methods before the public, he is voluntarily giving away valuable knowledge. A portion of this book was written by the author at my request and published in the Cavalry Journal as part of a series on horse training which appeared in the numbers published in 1912. I heartily commend these pages to my brother officers and feel sure that they will be read with equal interest by all horsemen, whether military or civilian.
