Traitors Masque Andari Chronicles Vol:

Traitor's Masque Kenley Davidson, 2015-12-15 What if Cinderella didn't go to the ball to dance with the prince What if she went to betray him Trystan Colbourne never meant to be a traitor All she wanted was to escape the suffocating walls of the place she used to call home where her stepmother's hatred has made her an unwilling prisoner Desperate for a taste of freedom Trystan accepts an offer of sanctuary from an old family friend and for a moment it seems as though all of her dreams are about to come true But dreams are fickle and neither politics nor princes are ever quite what they seem When she agrees to attend the royal masque Trystan is plunged headlong into a nightmare of conspiracy espionage and intrigue With lives and even kingdoms at stake she may be forced to sacrifice everything she thought she wanted in order to save the man she loves Traitor's Masque is the first book in The Andari Chronicles a series of interconnected fairy tale retellings that evoke the glittering romance of the originals while infusing them with grit humor and a cast of captivating new characters
