Ultimate Success Guide Brian Tracy:

The Ultimate Success Guide Leading Experts From Around the World, Brian Tracy, Nick Nanton, Esq., 2013-03-01

Individuals pursue success as a goal. Success is a condition based on the outcome of your movement from your point of origin to your chosen finishing line. This obviously varies by individual and situation. In business, success is commonly measured in goal achievement, dollars, and/or recognition. As a guide, it is always useful to look at philosophies that successful leaders propose to move you towards your goal of success. In fact, that's what makes this book so valuable. Here are Celebrity Experts who have achieved success. They discuss their accomplishments for your guidance. There is nothing like being coached to climb the mountain by someone who has made the trip already. Here are three quotes that present different facets of success by well-known business people who have enjoyed the satisfaction of success. You see in life, lots of people know what to do, but few people actually do what they know. Knowing is not enough. You must take action. Anthony Robbins: Give me a stock clerk with a goal, and I'll give you a man who will make history. Give me a man with no goals, and I'll give you a stock clerk. J. C. Penney: Obstacles are those frightful things you see when you take your eyes off the goal. Henry Ford: For coaching and guidance by successful Celebrity Experts, read on in this Ultimate Success Guide.
