Unlimited Freedom Your Guide Awakened:

Unlimited Freedom Fabian Markl, 2015-12-12 FREE AUDIO BOOK INCLUDED I've just finished the audiobook and I am going to give it away for free to anyone who gets the book. If you are a human being who can read words you should read this book. I have yet to meet a person who wouldn't benefit from it. Once it gets to its physical form I may just keep it on my bedside table for the rest of my life. It's that good. Catherine Traffis Professional Editor. If you would open this book on page 213 you will notice that the quote from above is in fact from my editor. Usually authors put blurbs from relatively successful authors on this page. To me it made however more sense to use the words of a normal person who has actually fallen in love with the book. I cannot promise you any result. Nor do I intend to use this page to persuade you into buying it. Click on Look Inside to open the cover and read the first 30 pages. You can read them fast and for free. And if the book didn't make you smile at least once then don't buy it. If you're ready to buy it you'll know. Here the link to the first 30 pages <http://www.fabimarkl.com/wp-content/uploads/2015/12/unlimited-freedom-first-30-pages.pdf> For more info about me scroll down to page 211. You will read Fabian died on December 5th 2013. Now it's just a name to which things have been attached like a birth certificate dated January 4th 1986, a Master's degree in Physics from the University of Heidelberg in 2014, and now this book. Here the link to the about Fabian section in the book <http://www.fabimarkl.com/wp-content/uploads/2015/12/unlimited-freedom-about-fabian.pdf> After you've bought the book say hello to me at fm@fabimarkl.com. Even if you're not interested in this kind of book there are a lot of fresh inspirational quotes you could use on gift cards. For a birthday Presence is the tip of your pen in the moment it touches the paper. Written words are the past the blank parts are the future. Focus on the tip because that is where the story of your life is being written from page 116. Or for Christmas Presents are lost presence is not. Give people your full attention. Do it always. Don't wait for Christmas from page 20. Or your next love letter. All people are like clouds. The clouds are different every day but what's behind the clouds is always the same. If you can see the sun behind the clouds you know what true love is from page 35. Either way you'll get a ton of value from this book.
