Andrew M. Greeley, Michael Hout, 2008-09-15 Ever since the reelection of President Bush conservative Christians have been stereotyped in the popular media Bible thumping militants and anti intellectual zealots determined to impose their convictions on such matters as evolution school prayer pornography abortion and homosexuality on the rest of us But conservative Christians are not as fanatical or intractable as many people think nor are they necessarily the monolithic voting block or political base that kept Bush in power Andrew M Greeley and Michael Hout s eye opening book expertly conveys the complexity variety and sensibilities of conservative Christians dispelling the myths that have long shrouded them in prejudice and political bias For starters Greeley and Hout reveal that class and income have trumped moral issues for these Americans more often than we realize a dramatic majority of working class and lower class conservative Christians backed liberals such as Jimmy Carter and Bill Clinton during their runs for president And when it comes to abortion most conservative Christians are not consistently pro life in the absolute fashion usually assumed they are still more likely to oppose the practice than other Americans but 86 percent of them are willing to tolerate it to protect the health of the mother or when the woman has been raped and 22 percent of them are even pro choice What do conservative Christians really think about evolution homosexuality or even the meaning of the word of God Answering these questions and more *The Truth about Conservative Christians* will interest and surprise a broad range of readers especially in this heated election year Foreign Fighters

Jeffrey S. Tunnickliff,2025-08-04 We live in a world where the very concept of truth is rejected by some Others may accept some of truth but ultimately think they should be free to determine for themselves what to believe Fr Jeff embraces truth Through his writings on his website www.renewaloffaith.org sermons and presentations inspired by the Holy Spirit he seeks to present the truth as God has given it to anyone who will listen or read his writings In the summer of 2024 Fr Jeff came to realize that if he was going to continue to teach God s truth he needed to help people understand what truth is So he began to write an article for his website with some expectation of offering presentations on truth When he began to write this document he expected it to be not more than twenty five or thirty pages His plan was to have the first part of the document center on truth in secular terminology and then bring the Christian faith into the discussion That was his plan but it was not God s plan This book is the article he set out to write As he wrote two things became obvious The first is that he could not write about truth without referring to the Christian faith The two are intertwined Second God had bigger plans than an article for Fr Jeff s website Through writing prayer and encouragement from his friends he discerned that God was leading him to publish this book It is in God s truth that we find who we are meant to be
