The book also includes sample student handouts for the selected pieces of literature.

Teaching Evidence-Based Writing: Nonfiction Leslie Blauman, 2016-10-14. At heart, learning to read and write analytically is learning to think well. For Evidence Based Writing Nonfiction, renowned teacher Leslie Blauman combed the standards and her classroom bookshelves to craft lessons that use the best nonfiction picture books, biographies, and article excerpts to make writing about reading a clear, concrete process. Students learn to analyze and cite evidence about main idea, point of view, visuals, and words and structure. And best of all, your students gain a confidence in responding to complex texts and ideas that will serve them well in school, on tests, and in any situation when they are asked, "What are you basing that on? Show me how you know."

Jane Goodall: Revolutionary Primatologist and Anthropologist Lois Sepahban, 2015-08-01. This title is a brief yet informative biography on Jane Goodall. Readers will learn about Goodall's early life, personal life, and all about her contributions to science: the study of chimpanzees, conservation, and both human and animal welfare. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

Literacy and Learning in the Content Areas Sharon Kane, 2025-04-23. The fifth edition of *Literacy and Learning in the Content Areas: Enhancing Knowledge in the Disciplines* provides readers with the knowledge, motivation, tools, and confidence for integrating literacy in their disciplinary classrooms. Offering a literature-based approach to teaching disciplinary literacy, the new edition shares important ways in which teachers of courses in the disciplines can enhance student learning of subject matter and skills while also fostering their growth in the many facets of literacy. Throughout each chapter, Kane provides engaging and creative strategies and activities to make literacy come alive in discipline-specific courses and to encourage students to explore and learn in the classroom. Embedded in each chapter are examples, resources, and strategies to help readers actively engage with and implement literacy practices. These features include Teaching in Action examples by subject area, Activating Prior Knowledge activities to stimulate critical thinking to prepare readers to learn complex theoretical and conceptual material about teaching, learning, and literacy, and end of chapter Application Activities to apply field experiences to classroom use. New to the Fifth Edition: Every chapter of this new edition is updated to reflect the current approaches, standards, and benchmarks for discipline-specific literacy. A new introduction with reading activities for professors to exemplify a common reading experience with their students, supported by online reading materials.
