The Players Ball David Kushner, 2019-04-09 A Wild West look at the early days of the internet the incredible battle between the founder of Match com and the con man who swindled him out of the online domain name Sex com in an all out war for control over the fuel that still powers the online world to this day love and lust In 1994 visionary entrepreneur Gary Kremen used a 2 500 loan to create the first online dating service Match com Despite only 5 percent of Americans using the internet at the time Kremen insisted his invention would transform our lives That wasn t all he was accurately predicted He also anticipated that internet addresses or domain names would be the bedrock of the dawning digital frontier eventually gathering the same kind of value as real estate properties So while his friends thought he was crazy he bought dozens up including the domain Sex com Love and lust he believed would fuel this new world to new heights But in 1995 as Kremen prepared to launch his next venture he was shocked to learn that someone named Stephen Michael Cohen had stolen the rights to the Sex com name and was making millions that Kremen had never seen In *The Players Ball* award winning journalist David Kushner draws from years of research and interviews to vividly recreate the Wild West years online when innovators and outlaws battled for power and money He explores the risks rewards challenges and back alleys of how the world online came to be and provides essential insights about where it s heading *The Players Ball* is the rollicking true story of a decade long cat and mouse game between a genius and a con man that changed the way people connect and defined the digital age

Build Income That Doesn't Need You: Systems, Automation, And Digital Infrastructure Sybex Books, 2025-06-22 You weren't meant to be the engine of your business forever Build Income That Doesn't Need You is your permission and your blueprint

to step out of the hamster wheel and create systems that generate income whether you're online, offline, or halfway across the world. This book teaches you how to turn your knowledge, skills, and digital offers into a business that runs with or without your daily presence. Whether you're a solopreneur, coach, digital creator, or service provider, you'll learn how to automate, delegate, and simplify with intention, not just for efficiency but for freedom. Inside, you'll uncover the essential systems that replace you in the right places: client onboarding, product delivery, recurring sales, and audience nurturing. You'll master how to build evergreen funnels, create scalable content once, not daily, and remove bottlenecks that keep you tied to the grind. But this isn't just about software; it's about self-worth. You'll also face the mindset blocks that keep you micromanaging, people-pleasing, or avoiding structure. Because deep down, many of us are scared to let go, even when letting go is the key to growth. When your income doesn't depend on your energy, you get to choose where to pour that energy: Into rest. Into art. Into impact. Into life. This isn't passive income hype. This is sustainable, soul-aligned infrastructure that frees you up to do more of what you love and finally stop trading hours for everything.
