Well Versed A Powerful Guide To Business Success:

Well-Versed David Adams,2015-07-09 Being successful in business is about being both entrepreneurial and process driven about combining the numbers the words and the questions to help you achieve the vision you have dreamed of This book helps you consider why you re in business what you are trying to develop and how you should set about doing it It shows that to be successful the businessperson needs to be focused on much much more than the product or service that they have set out to deliver Well Versed is a store of facts figures ideas concepts advice and diagrams to help you succeed in the business you set out to build It is both practical and dynamic in its powerful explanation of the way it needs to be

Coaching Creativity Jen Gash,2016-08-19 Creativity and coaching are two of the buzzwords of the twenty first century and yet little is known about how to coach creativity In business education health and many other fields there is an increasing acknowledgement of the importance of innovation and recognition of what is lost when creativity is lacking In Coaching Creativity Jen Gash explores the history science and practice of creativity by artists makers and creators translating this into practical advice for coaches The book investigates the concept of creativity and examines the theories surrounding it from psychological neurological and biological perspectives It then takes a more practical look at the doing of creativity and explores the use of creativity in therapeutic settings A model of coaching creativity is presented which acknowledges its diverse and individual nature The book also includes are tools case studies and ideas for coaching creativity including contributions from a wide range of coaches Coaching Creativity will be inspiring reading for coaches of all backgrounds including business and organisational coaches those in training and others in the helping professions looking to enhance their practice It is essential reading for all coaches who aim to support clients creative goals and use creativity in their own practice It fills important gaps in current coach education and practice

The Artist's Guide to Success in the Music Business Loren Weisman,2019-05-06 The Artist s Guide to Success in the Music Business is a detailed analysis of the information that all musicians should understand in order to achieve a realistic sustainable and successful career in music

Values Guide Decision-Making for Results Stanley Remple,2025-05-22 Strong business leadership built on a value based foundation has the power to drive profit while improving the lives of business leaders employees and even those in the community But a business leadership model must also reflect cultural context which is why author Stanley Remple argues that a cookie cutter individualistic Western approach doesn t serve the needs of Chinese business leaders Enter Leadership Wisdom for Businesses in China a powerful four book series that examines value based business leadership specifically within the Chinese cultural and social environment and offers a framework to promote individual and collective potential while creating a successful and competitive business In Book Three Values Guide Decision Making for Results Remple explores the importance of ensuring all decision making is results based and dives into four business leadership responsibility areas that contribute to business success strategic direction complementary partnerships leadership development and governance

accountability With a focus on technical tools creating and using a three year business plan is examined along with decision making processes to ensure all strategic action is aligned with performance objectives Case examples of successful Chinese businesses are also used to illustrate how these tools work within a cultural context Much more than a theoretical overview of business leadership this series offers a roadmap and solid tools for developing both self leadership and business leadership within a whole company Supported by a Chinese project team consisting of researchers educators writers and editors business leaders and other stakeholders this culturally relevant series has been written for both new and experienced business leaders and entrepreneurs leadership consultants and trainers and post secondary leadership programs in China However stakeholders in the West will also find great value in this comprehensive exploration of value based leadership The other volumes in the Leadership Wisdom for Business Success in China series are Book One Confronting the Business Leadership Crisis Book Two Developing a Value Based Business Book Four Cultural Factors Define Implementation Strategies Also available in Mandarin
