True Faith Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind s salvation process The blood required by God was to be a mankind s blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant

God Matters Peter Vardy,Charlotte Vardy,2013-10-31 Perhaps human beings are animals driven by the will to survive and reproduce perhaps responsibility is a useful fiction and religion is the opium of the masses Perhaps death is the end life is ultimately meaningless brutish and short Perhaps man is the measure of all things and beauty truth and justice are open to interpretation Or perhaps not God matters The choice over whether and what to believe is inescapable because it determines how we live our lives Nothing matters more This book encourages and enables students and general readers to ask fundamental questions about the nature and meaning of human life in an open engaging but academically rigorous way Centuries of scholarship in the Philosophy of Religion from Jewish and Muslim as well as Christian traditions are put in context and critically evaluated Examples from art film and literature show the contemporary relevance of debates which have raged throughout human history [www what matters org](http://www.whatmatters.org) provides recommendations for further reading a rich anthology of primary texts questions for discussion and related activities *Handbook of Communication in Oncology and Palliative Care* David Kissane,2011-03-31 Communication is a core skill for medical professionals when treating patients and cancer and palliative care present some of the most challenging clinical situations This book provides a comprehensive curriculum to help oncology specialists optimize their communication skills *The Oxford Handbook of Secularism* Phil Zuckerman,John R.
