The Integration and Protection of Immigrants Paul Van Aershot, Patricia Daenzer, 2016-02-24 In Scandinavian countries immigration is a sensitive issue and legislators approach to the questions it has raised has varied over the years Whatever immigrant and integration policies are adopted in a democratic society it is clear that the legislation and the authorities have to ensure that the individual rights of the immigrants residing in its territory are respected With Canada as a point of reference this book draws attention to weaknesses in the regulation and implementation of integration provisions threatening the immigrants individual rights in the EU member states of Denmark Finland and Sweden The study

challenges readers to critically review the meaning of rights and the notion of global caring It takes a critical look at how vulnerable immigrants fare in a largely immigrant nation with a welfare capitalism legacy when compared to three European nations which claim to embrace institutional welfare models This book will be of great interest to scholars and decision makers interested in Scandinavian or Canadian immigration and integration policies *The Time of Our Lives* Peggy Noonan, 2024-09-24 The New York Times bestseller An examination of the soul of a politics and a culture from the Pulitzer Prize winner for Commentary and conservative icon The National Review The Time of Our Lives travels the path of Peggy Noonan s remarkable and influential career beginning with a revealing essay about her motivations as a writer and thinker It s followed by an address to students at Harvard University on the drafting of President Reagan s speech the day the space shuttle Challenger exploded Then comes one surprising chapter after the next including People I Miss memorable salutes to the likes of Tim Russert Joan Rivers Margaret Thatcher and others Making Trouble Peggy s sharpest funniest and most critical columns about Democrats and Republicans the idiocracy of government and Beltway disconnect I Just Called to Say I Love You Peggy s most poignant writing capturing the country s grief and recovery in the wake of nine eleven and clear eyed foresight on what lay ahead in terms of war and sacrifice The Loneliest President Since Nixon tracking hope and change as it became disillusionment and disappointment with President Obama And other sections where Peggy discerns the mood of the country State of the Union the melodrama of the historic 2008 election My Beautiful Election her battles with the Catholic Church What I Told the Bishops and lighter meditations on baseball a snowy afternoon in Brooklyn and motherhood Having Fun Annotated throughout The Time of Our Lives articulates Peggy s conservative vision demonstrating why she has been awarded the Pulitzer Prize journalism s highest honor Bravo Peggy Noonan The English historian J H Plumb once said that what we need is more heart wise historians Heart wise Noonan certainly is David McCullough Defend the Border and Save Lives Tom Homan, 2020-03-31 Former ICE Director Tom Homan has been at the forefront of the conservative fight to secure our borders and offers proof that illegal immigration is not a victimless crime Illegal immigration is the most controversial and emotional issue this country faces today President Trump was elected on his promise to fix illegal immigration and build a wall on our southern border Because he won on this issue the Democrats refuse to work with him and we experienced a government shutdown as a result of this divide The Democrats have supported funding in the past and in his State of the Union the President said that he wants to unify and work together to resolve this and all the other challenges facing America The Democrats sat on their hands They won t budge Clearly as a party they don t care about the facts only about denying whatever success they can to this president Former ICE Director and Fox News contributor Tom Homan knows the facts He s spent his life on the border and knows that if we don t control illegal immigration now this country will continue to suffer the consequences of crime drugs and financial strain and it will get much much worse In Defend the Border and Save Lives Homan shares what illegal immigration is really about Illegal immigration should not be a

partisan issue Now is the time to fix this issue that has claimed so many victims and divided this country We need to pull the curtain back and expose what truly happens and separate facts from fiction Illegal immigration is not a victimless crime and the victims are the illegals and their innocent children as well as the Americans who suffer at the hand of the criminals who sneak into this country

Read Me, Liberals! Stacey Smith, 2023-08-11 Read Me Liberals is an attempt to awaken a certain class of people that are morally at risk The modern United States political system is dominated by a two party system Democrats and Republicans Either party is perfect nor will the ever be perfect but the Democratic party has gone so far left it is a threat to the freedom and safety of American citizens The modern Democratic party and their allies want to dramatically alter the United States to their fascist ideology They want total control of you and I by any means necessary They want to control how you think and what you can say Most importantly they want you to be submissive to a complete totalitarian government control This book exposes all the hypocrisy corruption and moral insanity that comes from the left Most importantly it exposes the two tiered justice system one for Democrats and one for the rest of us This book is meant to target liberals democrats and independents but will help educate conservatives and Republicans as well I challenge anyone that loves the United States to read this and help save this country while we still can Liberals will continue to push their one world order agenda until they get what they want The United States is more politically divided than any other time in history and we need to come together somehow

Sacher,2007-04-01 Though antebellum Louisiana shared the rest of the South's commitment to slavery and cotton the presence of a substantial sugarcane industry large Creole and Catholic populations numerous foreign and northern immigrants and the immense city of New Orleans made it perhaps the most unsouthern of southern states John M Sacher's *A Perfect War of Politics* explores why Louisiana joined its neighbors in seceding from the Union in early 1861 and offers the first comprehensive study of the state's antebellum political parties and their interaction with the electorate Sacher shows that although civic participation expanded beyond the elite from 1824 to 1861 Louisiana remained a white men's democracy Ultimately he explains an obsession with defending white men's liberty led Louisiana's politicians to support secession Sacher's welcome study provides a fresh grass roots perspective on the political causes of the Civil War and confirms the dominant role regional politics played in antebellum Louisiana *Parties, Politics, and the Sectional Conflict in Tennessee, 1832-1861* Jonathan M. Atkins,1997 In this thought provoking study Jonathan M Atkins provides a fresh look at the partisan ideological battles that marked the political culture of antebellum Tennessee He argues that the legacy of party politics was a key factor in shaping Tennessee's hesitant course during the crisis of Union in 1860-61 No previous book has so clearly detailed the role of party politics and ideology in Tennessee's early history As Atkins shows the ideological debate helps to explain not only the character and survival of Tennessee's party system but also the persistent strength of unionism in a state that ultimately joined the Southern cause **Understanding Trump** Newt Gingrich,2017-06-13 Learn how Trump is making America great again and why government and media elites attack his vision in this inspiring and informative book from one of his key political advisors Sean Hannity Donald Trump is unlike any president we've ever had The only person ever elected to be commander in chief who has not first held public office or served as a general in the military Trump's principles grow out of five decades of business and celebrity success not politics The president owes his position to the people who believed in him as a candidate not to the left wing government and media who have expressed contempt for him since his first day on the campaign trail Trump has enacted policies and set goals that send our country in a bold new direction one that is unreasonable to Washington elites but sensible to millions of Americans outside the Beltway With *Understanding Trump* Newt Gingrich provides unique insight into how the president's past experiences have helped to shape his life and style of governing including a thorough analysis of how President Trump thinks and makes decisions as well as his philosophy doctrine and forward thinking political agenda Discover Trump style solutions for national security education health care economic growth government reform and other important topics In this eye opening book Gingrich also investigates and exposes the forces in the Washington establishment media and bureaucracy that oppose the president at every turn Finally *Understanding Trump* explains the president's actions so far and lays out a vision for what Americans can do to help make President Trump's agenda a success With your help President Trump will be

Carriere Jr., 2018-06-14 In the 1850s a startling new political party appeared on the American scene Both its members and its critics called the new party by various names but to most it was known as the Know Nothing Party It reignited political fires over nativism and anti immigration sentiments At a time of political uncertainty with the Whig party on the verge of collapse the Know Nothings seemed destined to replace them and perhaps become a political fixture Historian Marius M Carriere Jr tracks the rise and fall of the Know Nothing movement in Louisiana outlining not only the history of the party as it is usually known but also explaining how the party s unique permeation in Louisiana contrasted with the Know Nothings expansion nationally and elsewhere in the South For example many Roman Catholics in the state joined the Know Nothings even though the party was nationally known as anti Catholic While historians have largely concentrated on the Know Nothings success in the North Carriere furnishes a new context for the evolution of a national political movement at odds with its Louisiana constituents Through statistics on various elections and demographics of Louisiana politicians Carriere forms a detailed account of Louisiana s Know Nothing Party The national and rapidly changing Louisiana political landscape yielded surprising credible leverage for the Know Nothing movement Slavery Carriere argues also played a crucial difference between southern and northern Know Nothing ideals Carriere delineates the eventual downfall of the Know Nothing Party while offering new perspectives on a nativist movement which has appeared once again in a changing divided country
