

A movie poster for the film 'The Reader'. It features a close-up of a woman with dark hair, looking down at an open book she is holding. The lighting is dramatic, with strong highlights on her face and the book, and deep shadows elsewhere. In the background, the face of a man is visible, slightly out of focus, looking towards the camera. The overall mood is serious and contemplative.

What Is A Reader:

The importance of being a reader: A revision of Oscar Wilde's works Christina Pascual Aransáez, 2014-11 This book explores Wilde's works from the hypothesis that they call upon the active participation of the reader in the production of meaning. It has a twofold objective: first, it shows that Wilde's emphasis on the creative role of the audience in his critical writings makes him conceive the reader as a co-creator in the construction of meaning. Second, it analyses the strategies which Wilde employs to impel the reader to collaborate in the creation of meaning of his literary works and casts light upon the social criticism derived from these. The examination of Wilde's writings reveals how he gradually combined more sophisticated techniques that encouraged the reader's dynamic role with the progressive exploitation of self-advertising strategies for professional purposes. These allowed the commercial Oscar to make his works successful among the Victorian public without betraying the literary Wilde's aesthetic principles. The present study re-evaluates Wilde as a critic and as a writer. It demonstrates that while Wilde the myth was ahead of his time in many ways, Wilde the ARTIST anticipated in his aesthetic theory various themes which occupy contemporary literary theoreticians. Thus, it may contribute to give him the status he rightly deserves in the history of literature. *The Reader's Figure* Richard Lockwood, 1996

Readers Theatre is a cooperative or shared reading of a poem, story or lyrics of a favourite song. Two or more readers can take part. Even if a piece is scripted for only two readers and you want more than two readers to participate, assign parts to a duet or chorus. And there are times when you will want to give a part to a weaker and stronger reader for practice so that one reader supports the other till both feel comfortable enough to read independently.
