Melinda's friends and fiancé have given her up for dead. Story Behind the Book When the challenge of the Western frontier began luring men and women westward from the eastern, northern, southern, and midwestern states in the mid nineteenth century they found a land that was beyond what they had imagined. Wherever they settled from the wide Missouri River to the white foamed shores of the Pacific Ocean they clung to the hope of a bright new beginning for their lives. Often their hopes were dashed by fierce opposition from the Indians who had inhabited the land long before them. At times there was also struggle for survival against the hard winters and the loneliness of the vast frontier. *All My Tomorrows* Al

Lacy, Joanna Lacy, 2012-01-04 The second book in the Orphan Trains Trilogy from writing duo Al and Joanna Lacy. When 62 orphans and abandoned children leave New York City on a train headed out West they have no idea what to expect. Will they get separated from their friends or siblings? Will their new families love them? Will a family even pick them at all? But their futures are wilder than any of them could imagine and range from kidnappings and whippings to stowing away on wagon trains from starting orphanages of their own to serving as missionaries to the Apaches. No matter what their paths are being watched by someone who cares about and carefully plans all of their tomorrows. **American Book Publishing Record**, 2004. *Library Journal* Melvil Dewey, Richard Rogers Bowker, L.
