Who Is Allah Islamic Civilization And Muslim Networks:

Who is Allah? Bruce B. Lawrence, 2015-03-10 Engaging with the age old question of who is the God of Islam Bruce B Lawrence stakes out the historical nuance of Allah throughout the past 1500 years from the earliest mention of his name to his appropriate by cyberspace

Who Is Allah? Bruce B. Lawrence, 2015-04-06 This vivid introduction to the heart of Islam offers a unique approach to understanding Allah the central focus of Muslim religious expression Drawing on history culture theology politics and the media Bruce B Lawrence identifies key religious practices by which Allah is revered and remembered illuminating how the very name of Allah is interwoven into the everyday experience of millions of Muslims For Muslims as for adherents of other religions intentions as well as practices are paramount in one's religious life Lawrence elucidates how public utterances together with private pursuits reflect the emotive sensory and intellectual aspirations of the devout Ranging from the practice of the tongue speaking to practices in cyberspace online religious activities Lawrence explores how Allah is invoked defined remembered and also debated While the practice of the heart demonstrates how Allah is remembered in Sufism the mystical branch of Islam the practice of the mind examines how theologians and philosophers have defined Allah in numerous contexts often with conflicting aims The practice of the ear marks the contemporary period in which Lawrence locates and then assesses competing calls for jihad or religious struggle within the cacophony of an immensely diverse umma the worldwide Muslim community

China's Muslims and Japan's Empire Kelly A. Hammond, 2020-09-30 In this transnational history of World War II Kelly A Hammond places Sino Muslims at the center of imperial Japan's challenges to Chinese nation building efforts Revealing the little known story of Japan's interest in Islam during its occupation of North China Hammond shows how imperial Japanese aimed to defeat the Chinese Nationalists in winning the hearts and minds of Sino Muslims a vital minority population Offering programs that presented themselves as protectors of Islam the Japanese aimed to provide Muslims with a viable alternative and at the same time to create new Muslim consumer markets that would the Japanese hoped act to subvert the existing global capitalist world order and destabilize the Soviets This history can be told only by reinstating agency to Muslims in China who became active participants in the brokering and political jockeying between the Chinese Nationalists and the Japanese Empire Hammond argues that the competition for their loyalty was central to the creation of the ethnoreligious identity of Muslims living on the Chinese mainland Their wartime experience ultimately helped shape the formation of Sino Muslims religious identities within global Islamic networks as well as their incorporation into the Chinese state where the conditions of that incorporation remain unstable and contested to this day

Hajj to the Heart Scott Kugle, 2021-12-28 Against the sweeping backdrop of South Asian history this is a story of journeys taken by sixteenth century reformist Muslim scholars and Sufi mystics from India to Arabia At the center is the influential Sufi scholar Shaykh Ali Muttaqi and his little known network of disciples Scott Kugle relates how Ali Muttaqi an expert in Arabic scriptural hermeneutics and hadith left his native South Asia and traversed

treacherous seas to make the Hajj to Mecca Settling in Mecca he continued to influence his homeland from overseas Kugle draws on his original translations of Arabic and Persian manuscripts never before available in English to trace Ali Muttaqi's devotional writings revealing how the Hajj transformed his spiritual life and political loyalties The story expands across three generations of peripatetic Sufi masters in the Mutaqqi lineage as they travel for purposes of pilgrimage scholarship and sometimes simply for survival along Indian Ocean maritime routes linking global Muslim communities Exploring the political intrigue scholarly debates and diverse social milieus that shaped the colorful personalities of his Sufi subjects Kugle argues for the importance of Indian Sufi thought in the study of hadith and of ethics in Islam We are proud to announce that this book is freely available in an open access enhanced edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of Emory University and the Andrew W Mellon Foundation Learn more at the TOME website openmonographs.org The open access enhanced edition of Hajj to the Heart can be found here <https://manifold.emory.edu/projects/hajj-to-the-heart>

Realizing Islam Zachary Valentine Wright, 2021-07-01 The Tijaniyya is the largest Sufi order in West and North Africa In this unprecedented analysis of the Tijaniyya's origins and development in the late eighteenth century Zachary Valentine Wright situates the order within the broader intellectual history of Islam in the early modern period Introducing the group's founder Ahmad al Tijani 1737-1815 Wright focuses on the wider network in which al Tijani traveled revealing it to be a veritable global Islamic revival whose scholars commanded large followings shared key ideas and produced literature read widely throughout the Muslim world They were linked through chains of knowledge transmission from which emerged vibrant discourses of renewal in the face of perceived social and political corruption Wright argues that this constellation of remarkable Muslim intellectuals despite the uncertainty of the age promoted personal verification in religious learning With distinctive concern for the notions of human actualization and a universal human condition the Tijaniyya emphasized the importance of the realization of Muslim identity Since its beginnings in North Africa in the eighteenth century the Tijaniyya has quietly expanded its influence beyond Africa with significant populations in the Middle East Southeast Asia and North America We are proud to offer this book in our usual print and ebook formats plus as an open access edition available through the Sustainable History Monograph Project

Incarceration and Slavery in the Middle Ages and the Early Modern Age Albrecht Classen, 2021-10-19 People in the Middle Ages and the early modern age more often suffered from imprisonment and enslavement than we might have assumed Incarceration and Slavery in the Middle Ages and the Early Modern Age approaches these topics from a wide variety of perspectives and demonstrates collectively the great relevance of the issues involved Both incarceration and slavery were and continue to be most painful experiences and no one was guaranteed exemption from it High ranking nobles and royalties were often the victims of imprisonment and at times had to wait many years until their ransom was paid Similarly slavery existed throughout

Christian Europe and in the Arab world However while imprisonment occasionally proved to be the catalyst for major writings and creativity slaves in the Ottoman empire and in Egypt succeeded in rising to the highest position in society Janissaries Mamluks and others

The Evangelical Counter-Enlightenment William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th century contemporaries to find what Salafist and Sufi Islam Evangelical Protestant and Jansenist Catholic Christianity and Hasidic Judaism have in common Such figures include Mu ammad Ibn abd al Wa hab Count Nikolaus Zinzendorf Jonathan Edwards John Wesley Jean Jacques Rousseau and Israel Ba al Shem Tov The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader

iMuslims Gary R. Bunt, 2009-04-30 Exploring the increasing impact of the Internet on Muslims around the world this book sheds new light on the nature of contemporary Islamic discourse identity and community The Internet has profoundly shaped how both Muslims and non Muslims perceive Islam and how Islamic societies and networks are evolving and shifting in the twenty first century says Gary Bunt While Islamic society has deep historical patterns of global exchange the Internet has transformed how many Muslims practice the duties and rituals of Islam A place of religious instruction may exist solely in the virtual world for example or a community may gather only online Drawing on more than a decade of online research Bunt shows how social networking sites blogs and other cyber Islamic environments have exposed Muslims to new influences outside the traditional spheres of Islamic knowledge and authority Furthermore the Internet has dramatically influenced forms of Islamic activism and radicalization including jihad oriented campaigns by networks such as al Qaeda By surveying the broad spectrum of approaches used to present dimensions of Islamic social spiritual and political life on the Internet iMuslims encourages diverse understandings of online Islam and of Islam generally

Who Is the Radical Islamist? and Why? A. D. Simmons, 2018-09-05 Radical Islam A threat to the Western World Tolerance and freedom of religion have always been hallmarks of open minded liberal political philosophy in the West But what if those principles put our very way of life in danger In *Who Is the Radical Islamist and Why* the author presents a case for the looming threat of radical Islam From its historical birth in the 7th century to its resurgence in the 21st century Professor Simmons examines the determination of radical Islam to infiltrate and break apart the social and political infrastructure of the West By describing the roots of their revival and their undeniable allegiance to the Prophet Muhammad peace be upon him and to the revelations of Allah as recorded in the Holy Qur an their religious ideology and their call for a global jihad is unraveled Enlightening and informative this book answers common questions about the radical Islamist movement and should be a call to action for the

 Civilization in the West blends social and political history into a fascinating narrative that brings history to life The authors tell a compelling story of Western Civilization that is enhanced by an image based approach Pictorial chapter openers draw students in by illustrating a dominant theme of the chapter and exploring the dramatic impression each image makes in reinforcing that theme The presentation of geography guides students around the changing contours of the West through both standard maps and Geographic Tours of Europe The greater number of maps and tours combine to make this text the strongest possible program for teaching historical geography 151 total maps as compared to Chambers the second highest at 106 The addition of Discovering Western Civilization Online new end of chapter website URLs makes this the first Western Civilization book to date to include these resources Yearbook of International Organizations Union of International Associations,2001 Islamic Civilization in the Malay World Mohd. Taib Osman,1997 *A History of African Higher Education from Antiquity to the Present* Y. G-M Lulat,2005-08-30
 Until recently Eurocentrist history professors taught that it was the Europeans who brought higher education to the African continent While the Europeans have indeed influenced African education in recent times there is some vital information that most history books leave out for centuries before the arrival of the Europeans the vast and advanced native African civilizations already had sophisticated universities and other institutions of higher education to boast about This book is an attempt to fill the chasm in today s literature regarding this topic It will be of interest to those researching the accurate non Euro biased history of Africa 2007, □□□□ □□□□□□
