Hinn, 2023-09-12 Explore what the Bible really says about the Holy Spirit and what it means to see the power of the Holy Spirit at work in your life Whether intentionally or not many Christians today seek health wealth and happiness by summoning the Holy Spirit like a genie to grant their wishes When things don't go the way they think they should disappointment and disillusionment abound But it doesn't have to be this way In *Knowing the Spirit* author pastor and speaker Costi Hinn shows you why a relationship with the Holy Spirit is the most important next step on your journey as a Christian Using clear and sound interpretation of Scripture Costi clarifies who the Holy Spirit is and who he isn't and answers some of the most important and most frequently asked questions about him such as What does the Holy Spirit do Does the Holy Spirit speak today What is the baptism of the Holy Spirit What are the gifts of the Holy Spirit What does it mean to be filled with the Holy Spirit What does it mean to walk by the Spirit What is praying in the Spirit And more This book is only the beginning of your journey of knowing and loving the Holy Spirit With the solid and biblical foundation presented in these pages the Holy Spirit is someone you will confidently walk with every day for the rest of your life *God is Not Black-and-White* Robert Snitko, 2017-12-25 There are many differing theological perspectives in the church today The church is often too quick to tell people they are wrong theologically rather than pursuing a conversation that allows the body of Christ to wrestle with various theological assumptions In *God is Not Black and White* Robert Snitko seeks to disrupt the disunity within a diverse church In a very theological yet practical way this book roots itself in the Apostle's Creed as the foundation for Christianity noting that Christians as a whole ought to agree on the gospel of Christ the Trinity and the incarnation as primary doctrines When it comes to secondary doctrinal issues church history proves that individuals have come to various theological conclusions Perhaps one's theological interpretation comes from presuppositions such as upbringing cultural context life circumstances or even experience Whatever the case may be we need to put an end to division in the church as we seek unity within a theologically diverse church This book urges Christians to have a theological conversation that pursues unity as we seek to love one another in the gospel through restoration healing and reconciliation

Idiot, Sojourning Soul Justin Rosolino, 2020-01-29 What is Christianity What is it supposed to be In a world where Trump Obama Putin and Lady Gaga all claim Christianity as their spiritual home it's not an easy question to answer Part memoir part historical theological analysis *Idiot Sojourning Soul* tells the story of one former skeptic's exploration of Christian spirituality Justin Rosolino was raised in a post-Christian context where all gods were up for grabs and all truth claims equally dubious While studying political theory in college Justin found himself drawn to the writings of Augustine Kierkegaard and Martin Luther King Jr Much to his surprise he resonated with their profoundly Christian accounts of human nature desire lack and love With wit and scholarly precision *Idiot* examines Christianity's historical development from its

ancient beginnings to its current and confounding condition The result is a must read for anyone who s ever wondered what Jesus was really up to and why contemporary Christianity bears so little semblance to its namesake *Can I Trust the Bible?* R. C. Lalleman,2017-09-07 The papers in this volume are less a commemoration of the Reformation than a discussion of its meaning in the era after 2017 What is celebrated in 2017 is not the Reformation as such but the beginning of the Reformation It was the dynamics of the new theology of Luther and Calvin that caused a radical change with global effects Reformation is not just an historical event but an ongoing movement of renewal and change The message of the Reformation constantly challenges us to think through positions actions attitudes and programs This book presents contributions from eleven experts from all over Europe who deal with their various topics on the conviction that the essence of Luther s theology does not need to be adapted to make it relevant The papers originated at the 2016 conference of the Fellowship of European Evangelical Theologians which was held in Lutherstadt Wittenberg **Who Is Jesus?** R. C. Sproul,2019-03-14 No person in history has provoked more difference of opinion than Jesus of Nazareth Some say He was a cunning fraud while others say He must have been out of His mind In many cases His story is altered to suit people s agendas While there are many ideas about Jesus to truly understand Him we must go to the Bible In this booklet Dr R C Sproul presents a compelling portrait of Christ as the Son of God as he examines the biblical account The Crucial Questions booklet series by Dr R C Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers **Justification** Paul ChulHong

Kang, 2006 This book returns to the true nature of the gospel justification by grace alone through faith alone because of Christ alone Fundamental to the book's argument is a rejection of the biblical truth and the faithful heritage of the gospel By tracing the development of Reformation theology in Luther and Calvin the giants in the American Great Awakening and the Korean revivals are brought up for analysis Jonathan Edwards Timothy Dwight Sun Ju Kil Ik Doo Kim Yong Do Lee and Sung Bong Lee Paul ChulHong Kang makes clear what can be at stake not merely for academic theologians but for all Christians the gospel itself
