Who Do You Say I Am? Jacques Dupuis,1994 *Majority World Theology* Gene L. Green,Stephen T. Pardue,K. K. Yeo,2020-12-01 More Christians live in the Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church On the Banks of Ganges Felix Wilfred,2002 **Roman Imperial Ideology and the Gospel of John** Lance Byron Richey,2023-09-29 This engaging study reflects the growing interest in the relationship of John s Gospel the Roman imperial context in which it was composed It begins and ends with quotations from modern sources that show why the question might be of more than historical interest The first quotation is from the Barmen Declaration of 1934 in which Christian leaders who resisted the advances of Nazism pointed to the lordship of Christ over the claims of the state p xi The final quotation is from Pope Pius XI who in 1925 affirmed Christ s lordship in the wake of cultural currents that removed modern nation states from the claims of the higher authority of God p 185 The problems raised by conflicts between the claims of human government and those of Christian faith provide an important reason to consider what these meant for early Christians including those for whom John s Gospel was written Craig R Koester Luther Seminary Saint Paul MN 55108
