Everybody Ought to Know Who Jesus Is Dr. Shirley Holmes Sulton,2009-09-30 God gave me this simple but powerful insight Our word is our bond Gods Word is His Son God took His WORD and wrapped it into flesh and the WORD became alive and dwelt among men John 1 14 Jesus sacrificed his life so that we would have a right to the tree of life without using animals as a sacrificial offering God made man several different ways Adam was made from the dust of the earth Eve was made with a rib from Adams side Cain and Able were conceived through Adam and Eve Jesus Christ is the Word of God Gods Son was conceived through the Holy Spirit through the Virgin Mary God wants us as His dear little children which has been expressed throughout the Bible We failed Him over and over again so God sent us His Son to redeem us His Word to receive us His blood to wash us and His Holy spirit to keep us Gods Word has a powerful effect on our lives We must meditate both day and night Whatever you speak and practice is what you become Moses told us in Deuteronomy 6 7 9 To teach Gods word diligently to our children talk about it when we sit in our houses and walk by the way When we rise up bind them for a sign upon our hand and frontlets between our eyes David stated Thy Word have I hid in my heart that I might not sin against thee Psalms 119 11 Eliphaz stated in Job 22 22 Receive I pray thee the law from His mouth and lay up his Words in your heart God is revealed throughout the scriptures both He and His Son Jesus from Genesis to Revelation Many scriptures in the New Testament are repeated from the Old Testament For example John the Forerunner of Christ can be found in Isaiah 40 3 5 the birth of Christ Isaiah 7 14 16 and Christ as the Branch in Isaiah 4 2 and Jeremiah 33 14 15 We must read listen and study Gods word as instructed in the Holy Scriptures Subsequently most of this book *Everybody Ought to Know Who Jesus Is* is written directly from the scriptures May all of my brothers and sisters of the same faith and other religions be enlightened to our Father God as He released Jesus the Son and the Holy Spirit for us to be inside of us as the three in one all inside of God Himself Amen **Names and Titles of the Lord Jesus Christ** Charles Spear,1841 **Who Is This Jesus Christ?** John S. Benjamin,2012-11-05 The whole world is groaning under the pain infl icted by atrocities such as diseases poverty misery wars murders famines climatic catastrophes moral decay and the list goes on All these have always taken place in the past but the intensity and frequency with which these are unfolding we find no parallel What are the causes behind these problems and is there any hope and a way out for man Though man has made astronomical advances in science and

technology does he have answers and solutions to these problems What does the future hold for mankind Is this world coming to an end For centuries man has been grappling and seeking answers to these questions This book deals with these questions The name Jesus has been the subject of much controversy In His time He was the subject of constant scrutiny and under the watchful eyes of the religious and government leaders who tried very hard and failed miserably to find any opportunity where they could find fault in Him His teachings and actions and prove Him wrong in any way whatsoever In our time He is venerated revered and worshipped by some while others swear and use His name in vain Some consider Him a prophet a teacher a guru one of the gods etc whereas others consider Him the Son of God Messiah King and more He has impacted the world in a positive way Who Is This Jesus Christ reveals why Jesus Christ came to this Earth and for what purpose and what He had to say about all of these events **JESUS CHRIST IS GOD** Moreno Dal Bello,2018-08-31 Jesus Christ is God is a treatise on the Deity of Jesus Christ and the Trinity of God Very few have a neutral response when they hear the name Jesus Billions upon billions have called on the name Jesus for centuries and yet few have ever known the true Person behind the name of the One Who would come and save His people from their sins Matt 1 21 Many seek solace and refuge in the name Jesus but few there be who know the Person and Work of the Man behind the name Many derive great comfort and assurance in their lives simply because they call the one whom they worship Jesus and yet they will one day realise that to know His name and yet not know the Person behind the name is to not know Him at all Who was Jesus Christ? Jesus Christ,1875 **The Jesus I Didn't Know I Didn't Know** Tim Reddish,2021-06-25 There are diverse perceptions and opinions about the person of Jesus and these are based on various assumptions whether someone is a Christian or not Regardless of what differing viewpoints we may hold since the Gospel writers each in their own distinctive way address the Who is Jesus question it is crucial that we at least explore what they have to say This book presents insights on the identity of Jesus from their accounts by considering The importance of what the angels had to say about his birth The significance of the events surrounding Jesus baptism The meanings of the strange story of the temptations of Jesus Two of the audacious things Jesus said about himself The radical politics of Jesus The location of God's presence in the world and The words of an early hymn Taken altogether a most surprising picture of who Jesus was and is is revealed *Jesus of Nazareth: who was he? and what is he now?* William Patton,1878 **Who is Jesus Christ?** Eric Sammons,Benedict J. Groeschel,2010 Who do you say that I am Christ's contemporaries ascribed to Him many names and titles as we see recorded in the New Testament Each one tells us something different about who Jesus is In this book Eric Sammons frames a series of thoughtful reflections on the names of Jesus in the Gospel of Matthew with references from the Church Fathers the saints and Doctors of the Church He translates the depth of the mystery of the Faith so readers can discover new dimensions of the person of Christ and new ways to recognize and welcome Him into their lives This volume exemplifies what the World Synod of Bishops recently called for sound biblical resources that help people encounter Christ the Word made flesh in the reading

of Scripture Mary Healy PhD General Editor Catholic Commentary on Sacred Scripture Eric Sammons knows how to cut to the chase with grace and aplomb Who Is Jesus Christ is the most important question that has ever been asked in the history of the human race and he ably helps us answer it and all the deepest longings of the human heart through the Christ he serves so well Mark P Shea Author Mary Mother of the Son **Who Is Jesus?** Allan R. Bevere, 2019-05-25 At Easter major magazines and blogs will publish articles claiming to tell us who Jesus was Every few weeks we see a new book making similar claims Is it possible to know In Who Is Jesus Allan Bevere addresses this question from the point of view of a person of faith who takes seriously the gospels and early Christian tradition as documentation of events and of serious theological reflection on those events According to Bevere Christian theology was neither an invention nor a set of random speculations unrelated to reality Rather they were the response of early Christianity to the experience of Jesus and the historical pictures as presented in the canonical gospels From a discussion of the Old Testament record piecing together the puzzle of biblical messianic prophecy through illumination of the christological controversies of the first five centuries of Christian history and then back to the four portraits of Jesus given to us in the canonical gospels this book provides a clear description of how orthodox Christian scholarship can bring together the varied evidence in order to present a coherent theological picture of the Jesus of history As Bevere contends history and theology are not easily separated but are two threads that create an interwoven tapestry in which events have meaning This book is good for individual reading or could easily provide readings and an outline for a small group study
