to a devout follower of Christ *After the Election* Ron Scott Sanders,2018-04-05 The role of Evangelical Christianity in American public life is controversial The mythology of America as a Christian nation and the promissory note of secularism have proved inadequate to cope with the increasing pluralism the resilience of spirituality and the wariness toward formal religion that mark our post secular age Christianity and democracy have a complex history together but is there a future where these two great traditions draw the best out of one another What does that future look like in a heterogeneous society Sanders argues that democracy is stronger when it allows all of its religious citizens to participate fully in the public sphere and Christianity is richer when it demonstrates the wisdom of God from the ground up rather than legislating it from the top down In this reality the Evangelical church must return to Christianity s prophetic roots and see itself as a community in exile where participation in the political is important but not ultimate where the substantive work of the church happens after the election **What Made Jesus Mad?** Dr. Tim Harlow,2019-06-11 While Christians love to focus on a gentle tender Jesus Harlow offers an unforgettable reintroduction to the true character of Jesus and invites us to get to know the savior who was gracious but also blunt sometimes sarcastic and wildly passionate about bringing people to the heart of God We often don t know what to do with the Bible s stories of Jesus righteous rage Yet the truth is while the Son of God was loving and tender his words could be equally sharp and biting The same man who said Love your enemies Matthew 5 44 also said You snakes how will you escape being condemned to hell Matthew 23 33 With compelling storytelling and enlightening examinations of Scripture Tim Harlow journeys through the gospels and looks at what and who ignited Jesus anger He guides us through instances of Jesus anger in response to the barriers people put up in the temple where money changers literally denied access to the Father especially for the non Jews and the poor during his teaching when little children were denied access on the Sabbath when religious leaders put rules above relationship and suffering above healing and many more What if Harlow asks by coming to understand God s holy anger we come to know a savior we never knew before How can we respond like Jesus when good intentions prejudices and judgments traditions and rules and selfish and joyless people conspire to keep others from God s presence **For Life** John Bornschein,2014-04-07 We are one nation under God and a nation that is under God must defend life at all stages young and old alike John Bornschein was an almost aborted child Abortion isn t an abstract political argument it s about life and death for individuals In *For Life* Bornschein shares his story and calls the church to defend the defenseless Exploring Scripture and history he equips you with the baseline and background knowledge you need to stand boldly on our culture s front lines to protect life at all stages A special section from the Family Research Council provides you with essential information for engaging others about the issues of abortion and defending your position

Thinking Theologically about Language Teaching Cheri L.

Pierson, Will Bankston, 2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created sustained and purposed through Christ This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics culture and education merge This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture one that provides a nuanced approach that glorifies God in a manner specific to the language classroom The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative God whose image they bear
