Why Does a Good God Allow Evil? , Why Does a Good God Allow Evil Finding Faith When the World Doesn't Make Sense If God is good why is the world so full of suffering It's the question that breaks hearts and shakes faith the one we whisper in hospital rooms in moments of betrayal and in the silence of unanswered prayers This book doesn't offer easy answers but it offers something deeper hope Through simple and heartfelt language Why Does a Good God Allow Evil explores the mystery of pain the purpose of suffering and the God who walks with us through it all From the story of Job to the cross of Christ from free will to final justice you'll discover that God is not absent in your darkest moments He is present personal and patient This book is for the doubter the seeker and the weary believer You don't need to have all the answers to keep your faith Sometimes the most powerful truth is not found in why but in who is with you God is still good And the story isn't over

someone who is willing to plead with Christ and other Christians to change our character to be more like His **Trusting God's Timing** Steven Stoffelsen, 2017-01-17 Many times Christians excitedly receive a promise or vision from God. From that moment forward they want to tell the whole world what God is going to do in and through them. It is so exciting to have a promise from God. The Bible says, "Where there is no vision, the people perish." Proverbs 29:18. But when God gives us a promise or vision, it takes time to see it fulfilled. Rarely is the vision for tomorrow or even the next year. It is for a certain time set by God. He shows it to you early, but He still wants to prepare you for the journey ahead. Many Christians get discouraged during this process and walk away from God. But so many people in the Bible like Abraham, Joseph, and David had to go through years of preparation before they saw their visions fulfilled. They waited a long time, probably longer than most of us. Be encouraged and don't let a thing called time destroy you before you even start. God is for you, and what He has promised, He will bring to pass.

Trust on Trial G. S. Gerry, 2025-05-30 TRUST ON TRIAL: YOU ARE THE JURY. What if Trust were dragged into court, charged with fraud, betrayal, and breach of contract? What if your own experiences with broken promises, lost faith, and second chances became the evidence? Trust on Trial isn't just a book; it's a courtroom battle for the ages where Trust himself is on trial, and readers hold the power to decide his fate. Through witness testimonies from history, the Bible, and real life, this gripping narrative challenges everything you believe about Trust, faith, and redemption. Can Trust be restored, or is he beyond saving? As the prosecution and defense build their cases, readers will wrestle with questions like: Can Trust ever be fully rebuilt after betrayal? Is Trust dangerous, or is he necessary? What does it mean to put Trust in something greater than yourself? The evidence is presented. The testimonies are compelling. Your verdict will define what Trust means in your life. Step into the courtroom, examine the evidence, and render your verdict. The stakes have never been higher. *Current Literature*, 1912.

Current Opinion Edward Jewitt Wheeler, Frank Crane, 1912. *A Conversation with God for Women* Marcia Ford, 2011-03-15. A front row seat to a fascinating conversation with God, Jesus, and other biblical characters answering important questions women have regarding life and faith. *A Conversation with God for Women* allows readers a one-on-one dialogue with God, His son Jesus, and other important women and men from the Bible as they respond to questions and concerns relevant to the Christian faith. The questions, in some cases challenging, address the issues and tensions specifically felt by women. Each answer, designed for both believers and seekers, is based on Scripture and written with the warmth and intimacy of a Heavenly Father relating to His child. Topics covered: existence and nature of God, Jesus, Virgin birth of God's only Son, authenticity of Scripture, meaning in and unique challenges of a woman's life, power and purpose of prayer, importance, realities, and struggles of relationships, coexistence of good and evil.
