Why Elders A Biblical And Practical Guide For Church Members:

Why Elders? Benjamin L. Merkle, 2009 Key biblical and practical issues for the church considering elders *Why Elders?* Benjamin Merkle, 2009-11-02 Key biblical and practical issues for the church considering elders **The New Elder's Handbook** Greg R. Scharf, Arthur Kok, 2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected What if there were a process to proactively call and train elders The New Elder's Handbook is designed to equip elders with the knowledge character and skills the office calls for It takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders **Elders Lead a Healthy Family** J. R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God Megachurches in Africa Babatunde A. Adedibu, Felicity Apaah, Okelloh Ogera, Benson O. Igboin, 2024-10-04 The idea of megachurch is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private

lounge The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa s megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality **Shepherding God's Flock** Benjamin L. Merkle, Thomas R. Schreiner, 2019-03-21 A biblical historical theological and practical foundation for pastoral leadership Pastors have been entrusted with leading the people of God The shepherds of God s flock must protect them from and guide them through the many dangers believers face Although ultimately the Church is led by Christ pastors are to provide godly examples of what it means to be a follower of the Lord Consequently who leads the church the type of authority they are given how they relate to one another to whom they are accountable and how they are selected are of utmost importance to the life and health of God s people This book provides the biblical historical theological and practical foundation of the crucial task of leading God s people *Ephesians* Benjamin L Merkle, 2016-08-01 The Exegetical Guide to the Greek New Testament EGGNT closes the gap between the Greek text and the available lexical and grammatical tools providing all the necessary information for greater understanding of the text The series makes interpreting any given New Testament book easier especially for those who are hard pressed for time but want to preach or teach with accuracy and authority Each volume begins with a brief introduction to the particular New Testament book a basic outline and a list of recommended commentaries The body is devoted to paragraph by paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study A comprehensive exegetical outline of the New Testament book completes each EGGNT volume *Missiology* John Mark Terry, 2015-09-01 Thoroughly updated and revised with half of the chapters new to the second edition Missiology equips the reader with a vast graduate level resource on contemporary missions *RetroChristianity* Michael J. Svigel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svigel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith **Church Elders** Jeramie Rinne, 2014-04-30 Effective leadership is important Nowhere is this more true than in the church Jeramie Rinne offers readers a concise overview of the Bible s teaching on spiritual leadership setting forth an easy to understand job description for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations Giving practical guidance to new

elders and helping church members better understand and support their spiritual leaders this conversational book emphasizes purposeful ministry rather than project management It will also bolster leaders confidence by encouraging them to embrace their pastoral calling with grace wisdom and a clarity of vision Baptists and the Emerging Church Movement David Mark Rathel,2014-07-24 In Baptists and the Emerging Church Movement David Rathel examines the major ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives **Welcome!** Ervin R. Stutzman,Marlene Kropf,1990 Whether your congregation is moving confidently toward a bright future or flinching from bleak prospects this book can be a key resource Appropriate methods will vary Ervin R Stutzman explains how any congregation can tap that great asset newcomers Drawing on lively anecdotes his own experience sociological analysis and church growth research Stutzman shows how congregations close their doors to newcomers Then he explains how they can throw their doors open welcoming the new energy and vision newcomers bring A Religious Encyclopædia Schaff-Herzog encyclopedia,1882 **The Elders Handbook, a Practical Guide for Church Leaders** Gerard Berghoef,Lester DeKoster,1979 **Voice** ,2002 A Religious Encyclopædia, Or, Dictionary of Biblical, Historical, Doctrinal, and Practical Theology Philip Schaff,Samuel Macauley Jackson,1882 *A Religious Encyclopaedia: Or Dictionary of Biblical, Historical, Doctrinal, and Practical Theology* Philip Schaff,Samuel Macauley Jackson,David Schley Schaff,1891 *Catalogue of the Theological Seminary of the Presbyterian Church in the U.S.A. at Princeton, N.J.* Princeton Theological Seminary,1878 **A Concise Cyclopedia of Religious Knowledge** Elias Benjamin Sanford,1912 **The Universal Cyclopaedia** ,1900
