

*"Helen Fisher's book will entice you, charm away your resistance
to its thesis, seduce you into accepting it. It is gentle, sexy, beguiling,
and, all at the same time, scientific."*

The Chemistry Between Us Larry Young PhD, Brian Alexander, 2012-09-13 How much control do we have over love Much less than we like to think All that mystery all that poetry all those complex behaviors surrounding human bonding leading to the most life changing decisions we'll ever make are unconsciously driven by a few molecules in our brains How does love begin How can two strangers come to the conclusion that it would not only be pleasant to share their lives but that they must share them How can a man say he loves his wife yet still cheat on her Why do others stay in relationships even after the romance fades How is it possible to fall in love with the wrong person How do people come to have a type Physical attraction jealousy infidelity mother infant bonding all the behaviors that so often leave us befuddled are now being teased out of the fog of mystery thanks to today's social neuroscience Larry Young one of the world's leading experts in the field and journalist Brian Alexander explain how those findings apply to you Drawing on real human stories and research from labs around the world The Chemistry Between Us is a

bold attempt to create a grand unified theory of love Some of the mind blowing insights include Love can get such a grip on us because it is literally an addiction To a woman falling in love a man is like her baby Why it s false to say society makes gender and how it s possible to have the body of one gender and the brain of another Why some people are more likely to cheat than others Why we sometimes truly can t resist temptation Young and Alexander place their revelations into historical political and social contexts In the pro cess they touch on everything from gay marriage to why single mother households might not be good for society The Chemistry Between Us offers powerful in sights into love sex gender sexual orientation and family life that will prove to be enlightening contro versial and thought provoking *Summary of All About Love by bell hooks* QuickRead,Alyssa Burnette, Learn about love from one of America s greatest Black feminists Maybe you came across bell hooks brilliant work in high school Maybe she already holds a treasured spot on your bookshelf Or maybe you re not familiar with her at all No matter where you re coming from All About Love 2000 is the perfect introduction to the work of one of the most talented and critically acclaimed feminist writers in American history With All About Love what you see is exactly what you get a critical examination of romantic love in theory practice and application By exploring what we do and don t understand about love bell hooks creates a roadmap that will guide us to a more evolved and society Do you want more free book summaries like this Download our app for free at <https://www.QuickRead.com> App and get access to hundreds of free book and audiobook summaries **DISCLAIMER** This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello.quickread.com *Why We Love* Matt Lilley,2020-01-23 Is there someone you can t stop thinking about Just a friend or is it a crush Could all those heart pounding feelings even be love Where do these emotions come from The answer is in the science of affection From enjoying the bond of family and friends or the smallest flutters in your stomach to the gooiest mushiest of loves emotions can run high But next time you or your friends feel all warm and fuzzy you ll understand what s really going on in your brains Plus you ll learn tips for decoding what s happening in your body and find out how to strengthen your self love Mental health is as important as your heart so when affectionate behaviours and feelings have crossed the line you ll also learn when it s time to reach out for help *Why We Love* Anna Machin,2022-02-01 An Oxford evolutionary anthropologist explores the ever elusive science of love What can the social and life sciences tell us about the most fundamental and unquantifiable human experience love Anna Manchin is interested in the the the most inclusive possible answer one that unlike previous books on the subject considers friendship and family on par with romantic love as well as polyamory chosen families queer love and touchingly the love we feel for pets celebrities and deities Anna delves into these intimate relationships from the levels of biology chemistry and neuroscience all the way up to psychology sociology and evolution in engaging accessible and ever charming prose But Anna doesn t shy away from love s darker consequences its

addictive nature which can lead us towards or leave us susceptible to manipulation coercion and even violence And yet in the end her book is an argument for love Growing evidence shows that the nature and quality of our relationships is the most significant factor in our life satisfaction happiness physical and mental health more important than quitting smoking or losing weight Love is the center of what makes us human It is by nature inefficient and in our ever busier world it can tend to be shunted to the side Anna's goal therefore is to expand our understanding and reinvigorate our awe at the complexities and intricacies of the human heart Building on the great tradition of writers like Esther Perel Alain de Botton Erich Fromm Stan Tatkin Sue Johnson and Helen Fisher Anna's depth of research and wells of empathy bring us many leaps forward in the eternal project of understanding ourselves
