

A woman with long, dark, curly hair, wearing a white lab coat over a red button-down shirt and a patterned skirt, stands in a hospital hallway. She has a concerned expression. In the background, other people are walking down the hallway, and a red 'EXIT' sign is visible above a doorway. The scene is lit with typical indoor lighting.

Why Wont Someone Help Me:

The Warehouse Joyce Crawford, 2024-01-09 In the days after God banished Adam and Eve from the Garden His fairies Faith Hope Serenity Passion and little Curiosity were concerned about Him being sad and lonely Upon meeting The Creator in the Garden s morning mist the fairies asked if they could help find new friends for Him God chuckled at the fairies concern and offered an alternative Would you like to find people to build a storehouse in which I can keep all My unclaimed gifts and blessings The fairies search takes them to the Florida wilderness Their only caveat they may not change the course of history and God alone controls life and death In 1872 three young Christian men John Leo and Jake each leave their homes in search of new lives Together they cut out a rustic community from the uncharted territory of Florida With their strong faith in God each other s support and a second hand sawmill these men built a community and a storehouse later known as The Warehouse How did they accomplish this monumental task What hardships did they face What did God have in store for these men How would God s plan affect a great great granddaughter more than a century later **The ^AOxford**
