

A photograph of a church interior. In the center, a white door is open, revealing a bright green landscape with trees outside. Above the door is a large, arched gothic window with a dark wooden frame. The church walls are made of light-colored horizontal wooden planks. In the foreground, the tops of several wooden pews with dark brown leather cushions are visible. A semi-transparent white rectangular box is centered over the image, containing the author's name and the book title.

Wide Welcome How The Unsettling Presence Of Newcomers Can Save The Church:

Wide Welcome Jessica Krey Duckworth, 2013-06-01 While most churches offer new member classes and genuinely seek to welcome visitors too often the end result is a rush to assimilate the newcomer into formal membership and all of the invitations to participation in committees choirs or fellowship groups that go along with it In *Wide Welcome* Jessica Krey Duckworth presents the stark differences between the established congregation which cares for current members and congregational identity and the disestablished one intentionally equipped to facilitate the encounter between new and established members The disestablished congregations she says gains purpose and identity in the task of relating to the newcomer and by doing so engages the world in powerful new ways By intentionally extending the time of newcomer inquiry and allowing their questions insights and experiences to reverberate through the entire congregation both they and the church are changed

Wide Welcome Jessica Krey Duckworth, 2013-06-01 Jessica Krey Duckworth presents the stark differences between the established congregation which cares for current members and congregational identity and the disestablished one which gains purpose and identity in the task of relating to the newcomer By allowing the questions insights and experiences of newcomers to reverberate through the entire congregation both they and the church are changed *Wide Welcome* does far more than point out the faults and weaknesses in current practice Duckworth intentionally lays out possible designs for newcomer welcome that are local and particular Book jacket [Lessons from Laodicea](#) Ross A.

Lockhart, 2016-04-08 I m rich and I don t need a thing bragged the early Christians in the big city of Laodicea The Apostle John however saw their affluence and arrogance through a theological lens He declared them to be bankrupt lukewarm Christians whom God would gladly gargle and spit out Today the mainline church in the West finds itself in a dominant culture of Laodicean affluence where even faith is a commodity to be consumed While the gospel spreads and thrives in the global South and East the Western mainline church looks longingly back at Christendom and forward in fear As Christians living in a North American culture that highly prizes the unholy Trinity of individualism consumerism and secularism we require a new kind of missional leadership to pray attention to what God is doing in the world around us This book names the challenges and promises inherent in partnering with the Holy Spirit in order to offer missional leadership in a culture of affluence It is about both living in Laodicea and leaving it behind We are no longer in a Babylonian captivity but a Laodicean one This work helps chart a course for Christians who long to let go of country club religion and instead belong to a community that helps equip missionary disciples resistant to the dominant culture and resplendent in the love of our triune God

Beyond Snakes and Shamrocks Ross A. Lockhart, 2018-07-02 Somewhere in the mists of time between history and hagiography stands the great evangelist and missionary St Patrick Raised a cultural Christian Patrick s encounter with God during captivity in Ireland transformed his life and the history of a people Freedom from slavery and a return home to Britain produced the divine summons Vox Hibernia to return to Ireland and the place of captivity in order to witness to the gospel of

Jesus Christ Christian witness in twenty first century Vancouver Seattle or Portland is a world away from fifth century Armagh Slane or Cashel Yet the great evangelist to pre Christian peoples of Hibernia has much to teach us as we seek to engage our secular post Christian context There is wisdom in the missional leadership of the one we call St Patrick that goes well beyond tales of snakes and shamrocks How might Patrick s mission experience with pre Christian peoples direct our contemporary missional encounter with post Christian peoples Come explore the story of the shepherd slave turned shepherd of souls and discover that there is power still in the legacy of Patrick when yoked with the Spirit filled presence and purpose of the risen Christ

Christian Witness in Cascadian Soil Ross A. Lockhart,2021-02-17 The Centre for Missional Leadership at St Andrew s Hall Vancouver has curated a dynamic collection of essays from missional thinkers in church and academy Together they explore both the pitfalls and possibilities of Christian witness in the post Christendom soil of the Pacific Northwest What does it mean to till plant and nurture Christian community while awaiting growth in the rocky soil of secularity in this West Coast land better known for its hipsters baristas and outdoor lifestyle Each chapter is an attempt to dust for divine fingerprints at work within the church and wider culture giving evidence of God s activity in our midst Within this book you will encounter women and men who are finding hopeful ways to proclaim and live the gospel that are bearing fruit and growing hope within Christian communities and the neighborhoods they call home

Better Than Brunch Jason Byassee,Ross A. Lockhart,2020-12-23 What could be better than brunch on a Sunday morning For most people in Portland Seattle and Vancouver the answer of gathering to worship the Triune God and be sent as witnesses would not be top of mind And yet across the Pacific Northwest the authors discovered deeply rooted missional communities worshipping God and serving their neighborhoods offering evidence of unexpected Cascadian treasure in clay jars Join the authors on a treasure hunt throughout the region as they identify new patterns of post Christendom Christianity that will inspire and challenge your understanding of church

Radical Welcome Stephanie Spellers,2021-11-16 For the fifteenth anniversary of its publication this revised edition features a new introduction from the author on the state of the church and its radical welcome today along with new reflections on how it continues to reshape the church This book is at once a theological inspirational and practical guide for congregations that want to move beyond diversity and inclusion to present a vision for the church of the future one where the gifts voices and power of marginalized groups bring new life to the mainline church Based on two years of work and over 200 interviews with people in congregations all around the United States in urban suburban and rural settings it asks the question How do we face our fears and welcome transformation in order to become God s radically welcoming people Each chapter introduces a particular congregation and the challenges it faced and lays out the theological underpinnings of tackling fears head on to embrace change as a welcome part of community life This new edition features essays from Michael B Curry Mark Bozzuti Jones Jennifer Baskerville Burrows and Mark Richardson

Lost in America Thomas T. Clegg,Warren Bird,2001 Lost in America helps inspire Christians to think and behave as missionaries

here in North America It help encourage and challenge church members to change the way they think of evangelism and begin reaching out to people in their communities Includes practical advice and steps for churches to take towards lasting change
