Defining Genre and Gender in Latin Literature Garth Tissol, William Wendell Batstone, 2005 The Roman confrontation and assimilation of Greek literature entailed a scrutiny critique and adaptation of generic assumptions This book considers the ways in which major genres among them comedy lyric elegy epic and the novel were redefined to accommodate Roman concerns and the ways in which gender plays a role in generic definition and authorial self definition Both of these areas of research have been important to William S Anderson throughout his career This collection of essays by his students helps readers to understand the nature of Roman literary self definition as it honors Professor Anderson's own achievements in this field

Ethics, Law and the Business of Being Human Charles Foster, 2025-09-02 This book presents an inquiry into the sort of creatures we are If we don't know what we are we can have no idea how to behave or thrive either as individuals or as a society This book in a series of short essays addresses the most fundamental question facing each of us We are not here long how then should we live as individuals and as members of society Philosophers and lawyers have long asked the question but their answers are often garbled and they have not learned a language in which to talk to one another The Academy which should lead the debate is often too riddled with presumption and systemic dysfunction to be either useful or interesting Foster surveys the academic and legal landscape critically and suggests how some of the ills can be remedied
