FOREWORD

This guide intends to provide basic data to estimate the times for collision repairs except for paint refinishing on the models listed above. The times, in hours and in tenths of an hour, are based on typically damaged vehicles using new undamaged parts under the conditions prescribed by Toyota. But time variations due to individual damage are not included. For these reasons, depending upon the circumstances, your discretion should be used in addition to understanding the work contents in this guide. The items and contents in the guide are applicable to the vehicles at the time of publication and may not be applicable to subsequent vehicles due to modifications.
