Tracks Across Alaska

Marvin W. Falk

Tracks Across Alaska:

Tracks Across Alaska Alastair Scott,1990 The story of Alastair Scott s journey across Alaska which tested his self reliance and endurance The book also acts as a portrait of the beautiful empty often murderous land and the people who choose to live there

Alaska's Midnight Son Harley Davis Hess,2012-02 This book describes numerous stories of adventures on the ocean on land as well as flying in Alaska The reader may wonder how the writer is still here to relate his adventures He dedicates this book especially to all the men and women in the Armed Forces who are coming home now from the world fields of battle It is his honest desire that all Veterans will find their dreams and goals and go after them to matter what All adversities can be overcome through determination prayer and hard work He did

Alaska Walter R. Borneman,2009-10-13 This panoramic chronicle of Alaska captures the grandeur of its geography history and many larger than life personalities Just plain terrific Bradford Washburn The history of Alaska is filled with stories of new land and new riches and ever present are new people with competing views on how these valuable resources should be used Here are the stories of Russians exploiting a fur empire explorers checking rival advances prospectors stampeding to the clarion call of Gold soldiers battling out a decisive chapter in WWII oil wildcatters looking for a different kind of mineral wealth and always at the core of these disputes is the question of how the land itself is to be used and by whom While some want Alaska to remain static others are in the vanguard of change Alaska Saga of a Bold Land shows that there are no easy answers on either side of this perennial debate and that Alaska will always be crossing the next frontier

McClure's Magazine ,1923

Loneliness and Time Mark Cocker,1992 Refreshing original and eminently readable The Literary Review Loneliness and Time is a pioneering study of travel writing as a literary form and of travel as a cultural phenomenon Mark Cocker offers

a fertile mixture of biography history and literary criticism in his portraits of some of the most prominent twentieth century British explorer writers including Wilfred Thesiger Laurens van der Post Gavin Maxwell and Lawrence Durrell and of the places Greece Tibet that obsessed them In scrutinizing the deep drives that impelled these men to the outer reaches Cocker makes clear the immensely powerful idea of the journey as quest as pilgrimage and how it has come to carry mythological and spiritual import In each portrait the journey s meaning is unearthed layer by layer and we see not only how it operates in the lives of the travelers themselves but its importance to the modern industrial and largely secular societies from which these figures emerge Cocker shows how foreign landscapes and their inhabitants have been used by travel writers as a means to self definition as well as a source of image fantasy even self image Loneliness and Time illuminates the appeal of travel the desire to explore the unfamiliar and the strange that captivates us all
